This *looks* like a peaceful farmhouse. It *looks* like a nearby field is softly draped in fog or snow. But the truth is actually terrifying: these lands have been completely taken over by millions and millions of spiders. Fight the urge to burn your own house down as you read this.

homes.

Unfortunately, people weren't the only ones evacuating. Spiders are also running for the hills, causing farmlands to be literally covered in their webs.

It looks like snow, but it's the worst thing you could ever imagine.
