The Threat of Newly Formed Right- Wing Israeli Government – A Warning to Christians

February 11, 2023 By Jana Bennun – 15 Comments

This article is an open letter to American Christian leaders who support the state of Israel, and it is a call to a serious contemplation and subsequent action.

Israel's newly formed right wing government is an attack on basic human rights and on democracy in general. **Israel – the only democracy in the Middle East** is a phrase that was used on many occasions by Benjamin Netanyahu when he was soliciting American politicians for the unconditional support of Israel. The famous phrase was often parroted in Christian pulpits and used as an icing on a cake by Christian pastors who preached unreserved love and support of the political State of Israel.

In truth, Benjamin Netanyahu did us all a favor. He removed the icing from the cake, and we can now see the true ingredients of what's in the baked goods.

In other words- the plan for the Israeli religious dictatorship was there all along -wrapped in a sweet, delicious democracy line, only to be unleashed as most rigid, ultra-religious Talmudic dictatorship.

On My 9, 2014, *Israel National News* posted an article in which it was revealed that Netanyahu promised haredi Likud leaders that the Talmudic law will become the law of the land once Israel will be officially announced as the "Jewish State". (That happened in 2018 with the help of then President Donald Trump and his evangelical Christian base).

Article states that *"the new law also would establish the Talmud, the core work of the Jewish law, as an official basis for Israeli state law"*.

Further, the article quotes direct words of Netanyahu where he states: *"I am going to personally be involved in the law defining the state of Israel as the nation-state of the Jewish people...It is a very important law that will influence how Israel will look in the future...I want to anchor in this law, that it will be a Basic Law that the state of Israel arose and exists on the basis of the Torah and the Jewish tradition"*.

Netanyahu continued:

"We will define in the law the Gemara as a basis for the Israeli legal system...the existence of the State of Israel as a Jewish state does not actualize itself enough in our Basic Laws, which is what the proposed law aims to fix."

Nine years later, Netanyahu did not disappoint, he fulfilled the promise to the haredi Likud leaders.

court's jurisdiction powers. It says:

"The government unveiled a new bill that would grant rabbinical courts authority to adjudicate in civil disputes. According to the bill, rabbinical courts will be able to hold hearings and issue decisions in accordance with Jewish religious law...the bill would grant rabbinical courts the authority to adjudicate disputes and not merely act as arbitrators. That means rabbinical courts would have the authority to confiscate property, compel witnesses to appear and give testimony, impose temporary bans on leaving Israel and other temporary bans."

Source: [Israeli Government Promotes Bill to Expand Rabbinical Courts' Jurisdiction Powers](#)

The newly formed Netanyahu's government is doing just that- **giving powers to the rabbinical courts** and weakening the established judicial courts that guaranteed equality for all under the Israeli law.

On January 4, 2023, the AP news article warned that the new Netanyahu's government aims to weaken the country's Supreme Court. Once the Supreme Court is weak, it will have no ability to overrule the decisions made by the rabbinical courts.

The Times of Israel article published the warning of the Tel Aviv mayor Ron Huldai that Israel is changing from democracy to a **fascist theocracy**. He says:

"That's the story of Israel being turned into a theocracy...we are going to be a Halachic state." (Jewish religious state)

The newspaper *Haaretz* published another article on February 6, 2023, explaining that the newly formed

segregation in the public sphere and other acts against women:

"Increasing the powers of religious courts that discriminate against women, increasing gender segregation in the public sphere, and resisting initiatives combating violence against women in the name of male authority in the home – these are only some of the hallmarks of the incoming coalition's agenda."

Source:

Catholic online magazine *Crux* published an article on December 12, 2022, explaining that few Christian leaders did indeed warn Netanyahu about anti-Christian forces in his newly formed coalition. This did not prevent Netanyahu to consider replacing the members of his coalition which only proves **his pre meditated intent to install religious dictatorship** in the state of Israel. Considering that the Christians of United States were the most dedicated supporters of the state of Israel-to the point of aiding Donald Trump in declaration of the Jewish State in 2018 and bringing an American embassy to Jerusalem – **Netanyahu's actions should be considered an ultimate betrayal**. The top Christian leader, Mr. Buehler expressed his concerns when speaking to about 180 Christian reporters in Jerusalem:

"Christians are a little bit concerned about some of the coalition partners that are coming into the government who have said some not nice things about the Christians in the past."

Mr. Buehler was aiming particularly at the member of Netanyahu's coalition by name Itamar Ben-Gvir who is

Itamar Ben-Gvir is also known as an avid supporter and follower of the now deceased rabbi Meir Kahane, a Jewish supremacist, and a founder of the Kach political party in Israel which won its Knesset seat in 1984.

Kahane was active also in the United States and he founded the Jewish defense league in New York- **which FBI designated as a terrorist organization**. It is interesting to note that later, in 1985 Israel banned the Kach party due to its racist, violent, and anti-democratic platform, **only to be resurrected by Netanyahu in 2022** by allowing the supporters of Kahane values to rule Israeli people. The actions of Benjamin Netanyahu should be considered **a crime against humanity**.

The following article published in *Institute for Middle East Understanding* (IMEU) should be a **mandatory study for all Christians** in the Unites States and allover the world. It is exposing the true nature and intent of the extremist religious Zionists who justify their ideology and actions with the Talmudic writings they follow. Those very extremists are now a reigning kings in Netanyahu's government. For example, In the article it states:

"Kahane...while in the Knesset in the 1980's, he introduced a set of proposed laws which read in part:"

*"non- Jews will be obligated to assume duties, taxes, and **slavery**. If he does not agree to taxes and slavery, he will be deported."*

"A non-Jew will not live within the jurisdiction of the city of Jerusalem."

"A non-Jew who has a marital relationship with the Jew is liable to 50 years in prison. A Jewish prostitute or a Jewish male who has an affair with a non- Jewish male is sentenced to 5 years in prison."

"Non-Jews in the state of Israel will be without any national rights and without any part in political proceedings in the State of Israel. A non-Jew will not be able to be appointed to any position of authority and will not be able to vote in elections to the Knesset or to any other state or public body."

*"Prohibition on intermarriage -Jewish citizens of the country are not allowed to marry non-Jews, **both in***

***“Separation at beaches-**Separate beaches will be established for Jews and non-Jews. A person of one people found on the beach destined for the member of the second people will be subject to six months imprisonment.”*

Again , it is of outmost importance that the following published article by the IMEU is studied in detail by all American Christians. All the facts published need to be examined and considered and the names noted – as they are a part of Netanyahu’s picks that will have a tremendous power over the people of Israel.

Source: [Fact Sheet: Meir Kahane & The Extremist Kahanist Movement](#)

Another of the leaders in the “Jewish Power” that Netanyahu is partnering with is the man by name Benzi Gosptein. Gopstein is known for his anti-Arab (anti-gentile) sentiments, calling Palestinians a **“cancer that has metastasized everywhere”**, he is against intermarriage between Jews and non-Jews, against any business relationship between the Jews and non-Jews, and outright hatred toward Christians. As the following *Haaretz* article recorded back in 2015, Goldstein called the Christians **“bloodsucking vampires.”**

Source: [Jewish Extremists’ Leader: Christians Are ‘Blood Sucking Vampires’ Who Should Be Expelled From Israel](#)

It is important that the American Christians get educated on the extremist Talmudic views on the “gentiles”. It is a gross mistake to believe that any reference to “Palestinians” is aimed only on Palestinian population of Israel. American Christians are brainwashed by their leaders to believe that every Palestinian is a terrorist and when the remarks made against Palestinians by Israel’s Talmudic extremists are fully justified. Majority of the Christian population of United States is completely ignorant of the fact that anti-Arab sentiments of the religious radicals in Israel is equally transferable to **any non-Jew** living inside or outside Israel – even a Christian. Whatever speeches and sentiments that Christians justify regarding Palestinians can easily apply to any Christian or any non-Jew. Right now, it is “Palestinians”, tomorrow it will be “the Christians”. Sadly, Benjamin Netanyahu is allowing those very extremists to be in his coalition and soon decide the path that Israel will take.

against the extreme religious tyranny that could potentially affect American lives.

Many Chabad rabbis, who are influencers of our politicians, are proselyting for the Noahide Laws for the gentiles. The Noahide Laws are already a part of the Public Laws in the United States and especially promoted in our public-school education system.

Noahide promoting rabbi Yakov Dovid Cohen is proudly displaying the Public Law 102-14 on his website Noahide.org:

Source: [Public Law 102-14,H.J. Res 104 Education Day USA](#)

According to Judaism, the Noahide laws are a mandatory requirement for all gentiles and are found in its fulness in the Babylonian Talmud. One of the seven laws is the prohibition of idolatry, while the prominent rabbis and scholars of Judaism interpret basic tenets of Christianity as an idolatry. The punishment for transgression of **any of the Noahide Laws is death by beheading** as noted in the following Jewish Encyclopedia:

*"...the punishment meted out to a Noachid for the transgression of any of the seven laws is **decapitation**, the least painful of the four modes of execution of criminals."*

Source: [LAWS, NOACHIAN:](#)

In fact, the *Jerusalem Post* published an article on March 31, 2016, reporting that an Israeli Chief rabbi Yitzhak Yosef said:

"According to Jewish law, it is forbidden for a non-Jew to live in the land of Israel-unless he has accepted the seven Noahide laws."

The Jerusalem Post continues to report:

Particularly upsetting is recent WND article that describes a whistleblower Kyle Seraphin saying that there is a document from the FBI Richmond's field office that there is a plan to declare Christians in the United States as *"criminals and potential terrorists"*.

Source:

Such sentiments as describe in the above-mentioned article are the ones that the Talmudic religious Zionists are propagating in Israel against Christians and as the solution to the "crime of Christianity" they propose acceptance of the seven Noahide laws. The fact that the Noahide laws are already in the public

of the state of Israel citing various Old Testament verses. In fact, many of the pastors have formed numerous bridges with the Talmudic rabbis and they are promoting rabbinic interpretations of biblical prophecies. Therefore, it is necessary for every Christian to examine their own doctrinal beliefs and scrutinize them in the light of the fact that the dispensational Christianity entered United States only at the beginning of the last century and arose at the same time as did the Zionist movement and its call for the creation of the state of Israel. Until then, the dispensational doctrines were practically unknown to Christianity as a whole.

The success of Benjamin Netanyahu would not be possible without the extraordinary support from American Christian leaders who still either can't, or don't want to understand the difference between the interpretation of the Christian Old Testament and the Talmud and the difference between Judaism as is described by the rabbis who support and form the Jewish state, and Christianity.

I often wonder, whether it is by pure ignorance, or by deliberate design – the idiosyncratic call for the blind support of the Jewish state by the American Christian leaders – all the while they portray themselves as the lovers of liberty and freedom of speech, patriots, lovers of Christ and His values. Is this just a pure lip service and aberrant hypocrisy, or a complete intellectual inability to understand the core-the very soul of what it means to be a Christian?

I propose, it is a misinterpretation of biblical prophecy and a sellout. A huge sellout, not only of millions of flocks who follow them, but of Christ Himself. It is also an insult on our intelligence, insult on our very soul, of who we are as followers of Christ.

The American Christian leaders – the men and women who so bravely and rightfully so, gave their voices in warnings against religious extremism of people of the Muslim faith are the very ones who shamefully overlook the dangers of the forming of a religious extremist Talmudic state, the ones who stand with the oppressor and are not the voice for the oppressed.

If they truly loved the Jews as their lips so often declare if they honestly had the American values of

Testament, the faith, the people who follow them, their own country and Christ Himself.

American Christians, where are your outcries? Where are your concerns? Did you forget, it was the rabbinical courts that condemned Christ to death? Did you forget His warning? *"If they persecuted Me, they would also persecute you"* (John 15:20-21)

or 9 years ago, thought it was another word for the Torah!! How was I supposed to know it was something else altogether!! Yet, once I learned about this Talmud, I was FINALLY ABLE To understand WHY Jesus Christ said the things he did to the Jewish "Teachers of the Law", as we see in Mark chapter 7. I was finally able to know what the "traditions of men" were, that were being taught and forced on the Jewish people, that Jesus Christ condemned. Today, 2,000 years later, the Talmud rules again as "the Law". American Christians need to know these things, know the difference.

The Babylonian Talmudism Noahide Law to me is the little horn full of eyes written by Daniel 7: and the little horn breaks out 3 horns. Which I think is 3 religions. Or 3 powers. Fascism, Nacyism, Communism. A new power arises. The Little Horn. Ruling The World.

These are hard verses unless we are totally sold out to Christ:

MATTHEW 5:44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;

LUKE 6: 28 Bless them that curse you, and pray for them which despitefully use you.

ROMANS 12:14 Bless them which persecute you; bless, and curse not.

2 CORINTHIANS 4:9 Persecuted, but not forsaken; cast down, but not destroyed;

GALATIANS 4:29 But as then he that was born after the flesh persecuted him that was born after the Spirit, even so it is now.

1 THESSALONIANS 2:15 Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men;

Bless them ACCORDING TO GOD'S WILL.

Jana,

Blessings in Jesus Christ our Lord. So glad you're back. Thank you for this article. Will forward it to some pastors. My questions to pastors will be, Has the Christian Church been lied to? Have Christian pastors been deceived and in turn deceived their congregations and listeners?

I was indoctrinated since I was a little girl to support Israel. Seventy years later, I'm still trying to clear up my thinking on all this, with the Lord's help.

God bless you and Steven.

‘jews” .On every occasion he spoke to or about these people he called them the synagogue of saton, sons of the devil ect. The covenant people are those Jesus spoke of in Math. 15:24 . Jesus knew where he was and to whom he was speaking when he said those words. The so called lost ten tribes were never lost ! They are the anglosaxon germanic and scandinavian people. Those of Gen 17 that were to go forth and bless all the other peoples of the earth. They did that. Have you ever seen a jew hand out Christian tracks ?

Vatican says there are limits to individual human freedoms and freedom of choice is not absolute. The Noahide Laws are incumbent on all of humanity. The Noahide Laws come from the Bible books of Genesis 9:9-12 and Acts 15:28-29

The Vatican stated that the Noahide Laws come from the Biblical books of Acts and Genesis, we prove below this is not true from the Bible books themselves and from scholarly Jewish sources

Genesis does not delineate the whole of Noahide Law

Acts does not enumerate all the Noahide Laws

The Noahide Laws come from the Talmud, not the Bible according to the 1906 Jewish Encyclopedia.

The notion that Israel will be head of the New World Order is almost alarming itself. The Question

The thing that is really alarming is an estimated 28,000 pastors were recruited by FEMA/DHS, as part of the Clergy Response Team, and . . . their initial and primary training was to tell their flock to obey DHS/FEMA. How sad can it be when many don't remember what happened what went on during hurricane Katrina in New Orleans. No one wants to even Mention the actions of the Vatican and the RCC. I worry more about the controlled opposition and the repeated Clown world rhetoric that gets repeated ad ad hominem.

Ppl just seem to not be able to understand these articles. Ppl seem to have sunk to a 4th grade reading level. Even those older ppl who had a still fairly decent education. They seem to have been drugged or something and their brains don't work.

To try to get ppl to see the Talmud is EVIL and not Torah, that Israel is kabal now, not Jewish, is like trying to get a camel thru a needle eye, eh? They can not reason and understand these overt articles; they just repeat their mantras, learned well and rewarded.

It's hard being the person that sees in a world full of blinded ppl in charge—and in the grocery store and workplace, to say nothing if Believers Who Should Know Better!!
