Confessions at Nuremberg were obtained under torture. The grimmest of these tortures, practiced mostly by Jewish operatives on their German prisoners of war, was testicle crushing.

(Left) German defendants at the Nuremberg War Crimes trials, 1946-1949. How many of them had their testicles crushed?

“The Holocaust legend is built on ‘confessions’ obtained by the use of *torture*.” So begins an article (<http://exposing-the-holocaust-hoax-archive.blogspot.co.uk/2015/06/the-holocaust-legend-is-built-on.html>) that has just been brought to my attention by an unknown

emailer.

At the same time, by sheer coincidence, another correspondent has just sent me some stomach-churning details about *testicle crushing*. He ends his letter with these words : “This is what Jewish interrogators did to their German prisoners of war after WWII in order to get them to “sing”—i.e., to confess to crimes they never committed.”

I was a bit shocked by these words. To tell the truth, testicle crushing is not something I have thought about a great deal, nor do I wish to dwell too much on this distasteful subject. I am aware of course that a lot of testicle crushing went on at Nuremberg in order to wring confessions out of the prostrate Germans, but I had been unaware that American Jews had been

foremost in the ranks of these torturers.

Apparently, as many as three out of four interrogators at Nuremberg had been Jewish—and these Jewish interrogators, I was to learn to my horror, had been by far the most sanguinary and sadistic. There was almost no level of human depravity to which these monsters were not willing to sink, including forcing their German victims to eat excrement and to have sex with disinterred corpses. (See below)

Yes, so this is something we ought to bear in mind when watching all those Hollywood movies celebrating the heroic deeds of the Allies in World War Two and lamenting the horrors of the Holocaust : that Jewish interrogators, working for the Americans, are known to have beaten, tortured, and crushed the testicles of German defendants before charging them with war crimes at Nuremberg. Without these confessions, obtained under extreme torture, there is no solid proof that any Jewish Holocaust took place at all. There is only legend, hearsay and “eyewitness accounts” : like those of Elie Wiesel and his kind—accounts that have turned out, in retrospect, to be based on pure fantasy, fiction, and grotesque exaggeration.

Proponents of the official storyline say that some of the strongest evidence that “proves” the Holocaust—i.e. the systematic extermination of 6 million Jews in gas chambers on the instructions of Hitler—consists of the supposed “confessions” of the German officials who were put on trial at Nuremberg. What they neglect to tell you is that most of these confessions were obtained under extreme torture. Indeed, according to Jewish investigator John Sack, torture was often **practiced for its own sake** (<http://englishnews.org/news-central/resources/resource-the-truth-of-ww2.html>), even when there was nothing to find out. It was practiced for sheer pleasure: because it gave the torturers a ‘high’, a feeling of sadistic omnipotence, of orgasmic euphoria.

It has since been openly admitted in the memoirs of the top British official, Colonel Alexander Scotland, who ran the interrogation program, that thousands of Germans were **tortured by British Military Intelligence** (<http://www.dailymail.co.uk/news/article-2223831/How-Britain-tortured-Nazi-PoWs-The-horrifying-interrogation-methods-belie-proud-boast-fought-clean-war.html>), under the direction of the Prisoner of War Interrogation Section (PWIS). This torture of German POWs occurred during the war to obtain military intelligence. After the war was over, it was used again in order to obtain confessions for convictions of “war crimes”.

German POWs reported that the torture techniques included deprivation of sleep, starvation, systematic beatings, ripping hair from the scalp, menacing with red-hot pokers, threatened use of electrical devices to deliver shocks, and, finally, the worst torture of all, the slow and systematic mangling of the spermatic cords of the testicles—a procedure that had their victims thrashing about and screaming like wild animals for hours.

The prosecutors at Nuremberg accused and convicted the Germans of murdering some 4 million people at Auschwitz. These charges were based largely upon the supposed “confessions” obtained by the torture of German officers, such as the signed “confession” by Rudolf Höss (<http://exposing-the-holocaust-hoax-archive.blogspot.com/2015/06/huge-smoking-gun-fake-confession-of.html>), the commandant at Auschwitz, giving details of how he had personally supervised the murder of 2.5 million jews.

In 1989, however, the Soviet government reduced the claim of the number killed at Auschwitz from 4 million to 1.5 million. (See *picture below*). This was later reduced to 1 million.

1948 - Supporting the creation of Israel, Auschwitz displays memorial that mourns 4 million murdered

It became apparent at once that if only 1 million Jews had died at Auschwitz, as was now *officially admitted*, it no longer became possible to state that 2.5 million Jews had been killed there under Höss while he was a commandant there. The “confession” by Höss that 2.5 million Jews had been killed at Auschwitz under his auspices was therefore worthless. It had been a confession clearly extracted under torture.

If, moreover, only 1 million Jews perished at Auschwitz instead of the 4 million originally claimed to have died there, it's obvious that there has been an overestimate of three million dead Jews. It is no longer possible to assert that 6 million Jews died in the Holocaust. That becomes a mathematical impossibility.

And yet, incredibly, this mathematical impossibility is brazenly asserted to this day in every mainstream media outlet.

We are all expected to pretend that 6 million Jews minus 3 million Jews somehow equals 6 million Jews, just as Winston Smith (in Orwell's *Nineteen Eighty-Four*) was expected to believe that $2 + 2 = 5$. Winston Smith, you will remember, managed to believe this absurdity in the end, with the help of a little extra tuition he received via the famous “rat torture” (https://en.wikipedia.org/wiki/Rat_torture#In_fiction)“.

The startling revelation that almost all the German defendants at Nuremberg had had their testicles crushed must make us sit up and think. How can testimonies obtained under testicle crushing be regarded in any way as reliable?

Following reports that defendants were tortured at the **Malmedy massacre trial** (https://en.wikipedia.org/wiki/Malmedy_massacre_trial), the US Army formed the “Simpson Commission” to investigate the alleged misconduct. Judge Edward L. Van Roden was part of this commission. According to Van Roden’s book, *American Atrocities in Germany*, out of 139 cases of treatment of alleged German “war criminals” who were investigated by the commission—and who were subsequently put on trial by the American Military Tribunal in Dachau (https://en.wikipedia.org/wiki/Dachau_trials) after World War II—“137 of these Germans were tortured by having their testicles crushed (<http://exposing-the-holocaust-hoax-archive.blogspot.co.uk/2015/06/the-holocaust-legend-is-built-on.html>).”

Other methods used by the American interrogators included brutal beatings, placing a hood over prisoners and punching them in the face with brass knuckles, breaking their jaws, knocking out their teeth, putting them on starvation rations, and subjecting them to solitary confinement. The prisoners were then presented with prepared statements to sign. *Confess or face more torture!*

It emerged that *Jewish* prosecutors and interrogators had obtained complete control over the US Military tribunal that was to put German officials on trial for war crimes. This is seldom mentioned, as to do so is regarded as “anti-Semitic”. To state the unvarnished truth—that 137 Germans had their testicles mangled at Nuremberg by largely Jewish interrogators in order to obtain proof for the Holocaust—is regarded as “hate speech”.

Lt. William Perl (*pictured left*) was an Austrian Jew who had emigrated to America in 1940. He was the chief interrogator of Germans accused of the **Malmedy massacre** (https://en.wikipedia.org/wiki/Malmedy_massacre_trial). This was because he could speak fluent German; and indeed many of the interrogators at Nuremberg were German or Austrian Jews who had emigrated to America before WWII and were known as the ‘Ritchie Boys’. There were roughly 9000 of these Jews in America and they specialized in the “interrogation” of German prisoners.

(See [here](https://en.m.wikipedia.org/wiki/Ritchie_Boys#About_the_group) ([https://en.m.wikipedia.org](https://en.m.wikipedia.org/wiki/Ritchie_Boys#About_the_group)

[/wiki/Ritchie_Boys#About_the_group](https://en.m.wikipedia.org/wiki/Ritchie_Boys#About_the_group))).

Perl supervised the torture of the German defendants. He was an ardent and active Zionist and was assisted by other Jews in his endeavors to extract confessions by the infliction of maximum pain. Jews specializing in torture techniques at Nuremberg included Josef Kirschbaum, Harry Thon and Morris Ellowitz. (See [here](https://furtherglory.wordpress.com/2012/12/09/american-atrocities-in-germany-the-torture-of-accused-war-criminals-in-the-dachau-trials/) (<https://furtherglory.wordpress.com/2012/12/09/american-atrocities-in-germany-the-torture-of-accused-war-criminals-in-the-dachau-trials/>))

This is what Wikipedia has to say about the interrogation of Germans at Malmedy:

“The accusations [against the German defendants] were mainly based on the sworn and written statements provided by the defendants in Schwäbisch Hall. To counter the evidence given in the men’s sworn statements and by prosecution witnesses, the lead defense attorney, Lieutenant Colonel Willis M. Everett tried to show that the statements had been obtained by **inappropriate methods** (https://en.wikipedia.org/wiki/Joachim_Peiper#Trial).

Note that exquisite euphemism: “inappropriate methods”. That’s how respectable, politically correct Americans refer to confessions obtained under *torture*. The methods are not described as horrendously cruel. They are not described as morally indefensible. They are described as “inappropriate”.

On Sept. 25, 1945, Thomas Dodd, who was the second in command on the American prosecution team at Nuremberg, made the following observation in which he claimed that three out of four interrogators at Nuremberg were Jewish:

“You know how I have despised anti-Semitism,” he said. “You know how strongly I feel toward those who preach intolerance of any kind. With that knowledge, you will understand when I tell you that this staff is about seventy-five percent Jewish (<http://exposing-the-holocaust-hoax-archive.blogspot.com.au/2009/10/private-letter-from-thomas-dodd-former.html>).”

One person who has made a close study of the Nuremberg trial archives in the original German and knows more about this subject than anyone else I know is the multilingual American scholar **Carlos W. Porter** (<http://www.cwporter.com/articles.htm>) who is fluent in German, French, Italian, Spanish and Portuguese. Having renounced his American citizenship in 1984, and having then relocated to Belgium with his wife and children, the Holocaust revisionist author of **“Not Guilty at Nuremberg** (<http://www.cwporter.com/SITE%20PICS/NGAN%20COVERS/ENGLISH.jpg>)” took the trouble to write to me about the Nuremberg trials in a private communication (July 28, 2015 at 9:55 pm). Porter confirmed what I had always suspected: that most of the American interrogators at Nuremberg had been Jews, and that torture had been freely practiced against the helpless Germans on trial in order to force them to confess to non-existent crimes:

“You can be absolutely CERTAIN,” Carlos Porter wrote to me, “that nearly ALL the interrogators and interpreters in ALL the trials were Jewish, because the Americans stamped out the German language from all American schools during WWI, so German Jewish refugees were almost the only competent people they had. Of course, other “German-Americans” could not be trusted not to be “Nazis”, so they were stuck with the German *Jews*.

That there was a great deal of mistreatment and torture in the minor trials is absolutely certain. I reproduced a couple of accounts of torture at the Dachau trials in “War Crimes Trials and Other Essays”. But I’m sure it’s only the tip of the iceberg. Minor personnel could be tortured with impunity, and 99% of them would be afraid even to mention it. It would be hard to get away with torturing somebody like Goering though.

There’s a lot of literature on the subject, more all the time. The Brits appear to have been surprisingly enthusiastic torturers, whether Jewish or not.”

Testicle crushing, incidentally, is a tried and tested method for obtaining confessions. It was used throughout the Middle Ages and particularly in France during the French Revolution. That the Jews, a scholarly race noted for their vast erudition and academic achievements, should have mastered all the techniques of testicle crushing is therefore not surprising. Their talents for acquiring such outré information must not be underestimated.

Though Perl had lots of German blood on his hands, he was nevertheless allowed by the Americans to serve as a prosecutor at the Nuremberg War trials. Another Jew of note at the Nuremberg war crimes trials was **Richard W. Sonnenfeldt**. He was the chief interpreter for American prosecutors such as Perl. He “interrogated” some of the most notorious Nazi leaders of World War II and died in 2009, age 86, at his home in Port Washington, N.Y. (See [here](http://mobile.nytimes.com/2009/10/13/nyregion/13sonnenfeldt.html?referrer=&_r=0) (http://mobile.nytimes.com/2009/10/13/nyregion/13sonnenfeldt.html?referrer=&_r=0))

The Presiding Judge at Nuremberg was also—coincidence?—a Jew. His name was **A.H. Rosenfeld** and he was a colonel in the American army. Col. Rosenfeld cheerfully admitted to torturing German prisoners of war as a matter of policy. “We couldn’t have made those birds talk otherwise,” he remarked cynically. “It was a trick, and it worked like a charm (<http://englishnews.org/news-central/resources/resource-the-truth-of-ww2.html>).”

In a recent private email to me, in response to some of my queries about torture at Nuremberg, Thomas Goodrich, acclaimed author of **Hellstorm : The Death of Nazi Germany (1944-1947)** (<http://www.amazon.com/Hellstorm-Death-Nazi-Germany-1944-1947/dp/1494775069>), mentioned the names of four well-known Jews in the American zone whom he identified as “torturer-inquisitors” : Harry Thon, William Perl, AH Rosenfeld, and Shlomo Morel.

This last-named individual, **Shlomo Morel** (*pictured right*), was a particularly nasty piece of work whom Goodrich describes as follows:

“a vicious monster who drowned men and women in outdoor latrines, who made them eat excrement, who personally beat captives to death, and who forced women to kiss and make love with disinterred corpses.”

(For more grisly details, confirming all this, see [here](http://englishnews.org/news-central/resources/resource-the-truth-of-ww2.html) (<http://englishnews.org/news-central/resources/resource-the-truth-of-ww2.html>))

After escaping from the killing fields of Germany, where he had taken immense pleasure in dancing over mounds of corpses and shedding rivers of human blood, this cruel psychopath **“lived out his life in comfort and ease in Israel.”** Yes, Israel!—the final bolthole and refuge dump for many a runaway Jew fleeing the long arm of the law, a place described in a prescient comment by Adolf Hitler as early as 1925 as **“a haven for convicted scoundrels and a university for budding crooks.”** (*Mein Kampf*, chapter 11, excerpt (http://www.fpp.co.uk/Hitler/MeinKampf/Palestine_prophecy_dt.html)).

Here now are some grisly details about testicle crushing that the reader may find of some interest. These distasteful details are given here only because they are relevant to our discussion. If you are of a queasy disposition and prone to easy vomiting, you are advised to skip the description and stop reading right here. Remember that all this was done to 137 Germans at Nuremberg in order to extract confessions from them with a view to establishing the “truth” about the Holocaust. Without all that testicle crushing, the Holocaust might have been much harder to prove.

“Standard practice [to obtain castration] in France from the Middle Ages to the French Revolution was to crush the condemned’s testicles in a vise, which burst them as mush from the scrotum, then crunch the spermatic cords with pliers. The condemned was turned upside down in order to maximize the blood flow to his brain, after which he was unable to pass out or enter a state of shock until, perhaps, the last few seconds of his ordeal.

The condemned was sure to vomit repeatedly with violent convulsions, even well after he had voided the contents of his stomach, but he rarely screamed except for an initial shriek, which immediately silenced, because the pain overwhelmed his ability to breathe. Most men would hang and thrash wildly during and after the crushing of each testicle, and their thrashing would renew upon the crushing of each spermatic cord.

This torture method (accompanied by others) was usually reserved for the crime of regicide or attempted regicide. The condemned was mercifully put to death afterwards, but his torture routinely lasted for the better part of a day, witnessed by large crowds. It is interesting to note that, whereas most crowds were instructed to jeer, mock, and ridicule the condemned, and did so even during a disemboweling, and drawing and quartering, most crowds remained silent and stared with shocked expressions as a castration was carried out in this manner.

Onlookers, male and female, are recorded to have vomited at the sight of the spectacle. (See here (<http://www.ign.com/boards/threads/itt-torture.188408347/>) and here (<http://www.shroomery.org/forums/showflat.php/Number/11024425>))

Yes, they certainly knew what they were doing at Nuremberg! They were the experts.

Let Thomas Goodrich have the last word:

“A true history of the War can never be written since most of the participants are now dead and those yet living would never admit to their crimes. I am sure that the crimes committed against Germany that we KNOW of are just the beginning.”

Lasha, you are a real **DARK moon**. You give no light whatsoever!

Torture “practiced mostly by Jewish operatives on their German prisoners of war”???????

So, with Hitler insisting on “we must decimate all the Jews”, here you are claiming that the Germans were prisoners of war? I have not heard or read anything more **ABSURD** in my life!

I have lived with World War II torturers (Nazis hiding in my country, Argentina) and with World War II victims, people from all over Europe escaping Nazism, Fascism, Holocaust and death.

Please stop sending me your malicious, rotten articles. Thank you,

Best wishes,

Alberto

A very timely article, considering Putin intervened in the Middle East. I'm not surprised Lasha the talmud-qabalah jewess who always pretended to be a "NON jew", is now feeling as if she's being tortured.

Now she, along with her whole army of Darkmoon jew trolls on this site, all pretending to be non jews opposed to jews, are now faced with someone with real serious power behind him, namely Putin, who is actually doing something to defeat the jews and defeat the jew NWO. So Lasha and her army of Darkmoon trolls who fill this site are now in the position of having to pretend they actually like Putin who is destroying their jew talmud-qabalah Darkmoon jew supremacist dreams and schemes, LOL.

So of course it's something extremely painful, and jew Lasha and her army of jew supremacist trolls on this site are feeling as if they're being tortured. It must be very painful to be a jew supremacist troll who always pretended to be a "non jew".

Before Putin, Darkmooners could play-pretend they were

opposed to jews and to the jew NWO because there wasn't any serious opposition to the jew NWO, so pretending was fun and laughs and mockery and farce. But now with Putin making it hot for the Jews, it's fun and games no longer. In fact, it's downright torturous. Hence an article about torture.

How Darkmoon LERVS to leave jew clues in its wake.
LMFAO!!!

Hey Alberto...

Did you see the crimes the National Socialists who hid in your country allegedly committed?

No? Ok, that's heresy then and is not admissible in a court of law.

On the other hand we have first hand admissions and eyewitness testimonies which in any court is conclusive proof to establish what was asserted above as true. Furthermore you sh-t brain, the Auschwitz commandant who only spoke and read in German "confessed" to the impossible number of Jews murdered upon a pre written ENGLISH "confession" paper.

You remind me of this libtard I met recently in a local bar who blind sided me in front of everyone yelling out-loud as a way to try and shame me, "The Holocaust happened Ty...my friend was there and saw it first hand you anti Semite". Not being one to back down from liars, Marxists or as-holes of any stripe who spew sh-t as a matter of normalcy, I responded by stating "so your friend saw 6 million gassed and burned?" He said no, but he saw the camps when he visited Europe." I said, "so he saw no one murdered but only work camp buildings, right?" He said nothing. I continued, "you said I was an anti Semite, but how can I be an anti Semite when the Jews" are not Semites?" And furthermore, "would you be willing to examine the authoritative admission of the "Jews" about

their ethnic identity? Would you be willing to examine the Camp records, Soviet records, American records, Red Cross records and the Jewish Census records concerning the Holocaust so you could make an informed discussion from the evidence? “And just like you, this dingle-berry actually responded to me IN FRONT OF EVERYONE that he had “better things to do”.

So I’ll tell you like I told him; “in other words, you have other things better to do than examine the evidence to establish the truth because after all, you couldn’t give a flying sh-t about the truth. You only want to slander people to make you feel morally superior as a way to compensate for the fact that you know you’re not.”

Good riddence!

@Tyron, your “libtard” acquaintance had to have been a JOO! His whole attitude is perfectly consistent with that of the Nuremberg torturers – let’s prove our moral superiority by inflicting as much pain and suffering on those who oppose us! A true follower of Christ would never dream of doing such a thing, because we can feel the pain of others, and it horrifies us. Jews seem to have no such ability or concern.

They also live in a fantasy world, in which no amount of solid evidence will ever dissuade them from harboring their insane ideas, whatever those may be. In the words of someone (I forgot who) in the Bush White House, “We create our own reality”, which the Jews most certainly do! And the only thing that allows them to continue to get away with all of their nonsense is the Jewdeo-Xtians who continue to think of these monsters as the chosen people of God. Them along with the non-Jewish secular humanists who remain in denial about the

HoloHoax, 9/11 and the Jewish origins of communism. These are the “enablers” that I just want to slap silly!

One must have a lot of light in one’s heart and a strong spirit to have the courage to share truth, not the lies, not the memes, but just as it was. And only when facing that truth as the collective humanity we are, jews included, can we make amends with that past and hopefully with eachother. May this vision of the state The Greater Israel or the prophesied in the biblebook Revelations, a thousand year reign by Israel, a militarized ruling with its seat in Jerusalem, where the newly built Supreme Court in Jerusalem by Rotchild shows the real darkness, Lucifer ruling, never come about.

Putin has brought some honesty into the world. Now when “Pat/Justice for Chinese” feel so moved as to compose a poem to their long lost ISIS they LERV so much, now when “Pat/Justice for Chinese”, under the guise/handle/persona /character, “Gilbert Huntly”, now its hydra-head “Gilbert” will be composing love poems to ISIS now really lost, lost to Putin’s bombs. ISIS dead in the desert sands from Putin’s bombs. Now Gilbert’s love poems to lost ISIS will have truth behind the love poems, as “Gilbert’s” ISIS is truly no more. Among Putin’s many stunning accomplishments, Putin managed to turn a lot of crocodile tears in the “alternative” media to real tears. The real tears are shed back stage, but shed they are, and I couldn’t be happier. Turning crocodile tears to real tears is called bringing TRUTH to the world. An old fashioned Christianity from the past, turning fake crocodile tears into real tears. Now when the hydra-headed snake

“Pat-Justice for Chinese-Gilbert” will be crying real tears as it
composes love poems to an ISIS really lost, lost to Putin’s

You poor fellow. After WW2 the Allies captured millions of German soldiers and placed them , on purpose, in death camps; several hundred top Nazis whom they tortured as described above; several thousand camp guards whom they shot hundreds without trial; 15 million East Prussians whom they expelled on a death march back to Germany ; several thousand scientists who kickstarted both the American and USSR space and germ warfare programs; and many Stalinist Jews were put in charge of his death camps and many of the Eastern European countries such as Poland and Hungry where they quickly became hated.

Yes, many Ashkenazi Jews that merely were just citizens of Weimar Germany or Austria who fled these two countries were supporters of not only Marxist-Leninism (i.e., Doctrinaire Bolshevism) but also Stalinism (i.e., Modified-Bolshevism) were mostly the same Jews who returned to NSDAP Germany before, during, and after the Battle of Normandy to become these same Jewish interrogators, working for the Americans, who became known to have beaten, tortured, and crushed the testicles of German defendants before charging them with war crimes at Nuremberg. In addition, it is true that without these confessions, obtained under extreme torture, there is no solid proof that any Jewish Holocaust took place at all. On top of that, it is you who are the real DARK moon. You give no light whatsoever!

thank you for this. I knew most of it before, but if I can also add:

During the cold war I was witness to prisoners being tortured and as at gitmo, a man under torture will admit to anything.

I have seen men plead guilty to the most ridiculous things, raping father Christmas, stealing atom bombs in a soldiers rucksack, and it was for this reason torture was abandoned.

Porton Down saw churchills doctor lord moran torture many Germans at the end of W W II again under jewish supervision.

Rudolph Hess was drugged continually until his murder by SAS soldiers when he was due to be released, but when these men were hung, they deliberately made the trapdoor too small, so that when they fell their face would smash against the floor as they went through.

Yes, the Germans had committed the terrible crime of taking their economy away from the jew bankers. So they had to be punished!

I will put this all over facebook.

thank you!

ps this article mentions articles by Mark Weber. Ummm ... didn’t you, Lasha Darkmoon, get the memo when the late, great Michael Collins Piper talked about Weber co-opting the Institute for Historical Review??? Weber has an incredibly shady background, and really shouldn’t be given any credit for

historical revisionism ... or anything at all, really.

pps if so many people did have their testicles crushed, how could they stand up in court like in the first picture in the article? This all smells a bit fanciful, and just a tad sensational. Could be a distraction or disinfo. Not condoning Jewish power or zionism etc in any way, but people must try to sift the real truth with sensationalist nonsense that does every one in the “truth movement” a disservice.

It would be sweet justice to inflict the same “justice” upon them today, but in their own twisted way, they’d probably actually enjoy it. One can see how their eyes light up with self-pitying gratification as they tell their fictitious tales of persecution. Sorry, Gertrude.

The time for excusing what is obviously group behavior with a few contrary examples is over. The poisonous entity known as judaism has to be – at the very least addressed – and at the very most extracted from our collective body. There is no hope in “reforming” them. With every century that passes – the persecutions and expulsions that occur due to the tribe’s noxious behavior only strengthens their resolve and belief in their deific destiny. I know this sounds twisted to normal empathetic humans, but jews are different in this regard.

History has proven this over and over and over again.

Incidentally, it is knowledge like this that makes me think that Putin is in fact most likely a WWII facilitator for the Jews, doing it very nicely, whilst appearing to many as some kind of hero fighting the Jewish mercenary terrorist ISIS, currently led by serving Israeli military personnel <http://www.globalresearch.ca/guess-who-is-behind-the-islamic-state-israeli-idf-colonel-leading-isis-terrorists-arrested-in-iraq/5483679> (<http://www.globalresearch.ca/guess-who-is-behind-the-islamic-state-israeli-idf-colonel-leading-isis-terrorists-arrested-in-iraq/5483679>)

Now that Shimon Elliot, AKA Al Baghdadi, the initial Mossad leader of ISIS is wounded or even dead according to various reports, other Jewish agents carry the fight forward for Eretz Israel, and they now provenly involve serving Israeli military personnel, not just mere mercenaries as Putin would have us believe.

I don't really think that Putin is actually turning on his Jewish friends, but rather that he is sacrificing an Israeli-controlled pawn, that the Jewish-led US will fight Russia to protect. All by covert mutual agreement of course between American and Russian leaders, then the long planned for WWII to mutually annihilate as many goyim as possible can begin. And many ISIS men are of course simply shaving their beards and coming to America and Europe, to kick off again there for the Jewish purpose, hiding amongst the refugees to get there. How many ISIS men is Putin REALLY killing?

Turkish support for ISIS has been cunningly papered over by ISIS having 'declared war' on Turkey now, and even on Israel, whilst Israel of course continues to treat ISIS wounded troops, now in field hospitals in the battlefield apparently, rather than in Israeli hospitals in Israel itself, and to make the illusion look more real, there have even been casualties in Turkey, due to an apparent 'terrorist' bomb attack by ISIS against Turkish civilians and so on. Of course, killing of Gentiles in Turkey or anywhere else is of no consequence to these people, the Jews controlling ISIS.

(<http://renegadetribune.com/2012-putin-praises-creation-of-israel-as-victory-and-pledges-to-combat-holocaust-questioners/>)

Far from being a grand master of chess in his political dealings, who sincerely intends to outwit Israel and the intended Jewish NWO hegemony, that the US and NATO goyim slave forces as a whole are mind-controlled to fight for, Putin is in fact a rather deceitful, shallow and duplicitous hypocrite, who most definitely will sell us all out to the Jews.

<http://nonalignedmedia.com/2015/09/mixed-signals-from-moscow-putins-russia-israel-and-the-middle-east/> (<http://nonalignedmedia.com/2015/09/mixed-signals-from-moscow-putins-russia-israel-and-the-middle-east/>)

As revisionist Paul Grubach succinctly put it:

“One can now plainly see why Putin would outlaw Holocaust revisionism: it is a direct threat to the ideology that ‘justifies’ and ‘legitimizes’ his government and political agenda. Indeed, a Revisionist repudiation of the Holocaust ideology would allow another reappraisal of the crimes, atrocities, genocide and oppression committed by the Stalinist regime. The end result of such historical revisionism would be the demolition of a pillar of Russian patriotic ideology, and the worldwide realization that Stalinist Communism was more oppressive and evil than National Socialism.”[32]

“Skeletons in Putin’s Closet

“In 2011, Putin was asked about theories that the 9/11 attacks were organized and executed by criminal elements of the American government as an inside job. Putin said the suggestion is “complete nonsense” and “impossible” without offering a coherent explanation as to why that scenario is improbable.[43] He based his rejection of the false-flag nature of 9/11 entirely on the emotional inference that governments wouldn’t dream of “killing their own people” in that

manner. Being intimately familiar with the bloody legacy of Bolshevism in Russia, he should obviously know better.

It is quite strange that Putin, otherwise at odds with Washington these days, would want to protect the Americans on this issue. But it begins to make more sense when one factors in similar suspicions leveled against Putin in his early political career.”

Putin would only have to see ‘911missinglinks’ <https://www.youtube.com/watch?v=dl4CDScgvy0> (<https://www.youtube.com/watch?v=dl4CDScgvy0>) to have sufficient information to doubt the official American line on 9/11, and understand who really did it, and of course, he really knows the actual truth, but denies it, and that can only be for his Israeli masters. Putin is one slippery get.

His opposition to holocaust revisionism demonstrates that he will not allow any information to come to be revealed or accepted that would undermine the continued existence of Israel.

Meanwhile, Israel continues to have the complete freedom that it needs to build Cobalt nuclear bombs, which Jewish nuclear scientist Leo Szilard stated in 1950 would be able to kill all life on Earth, using just 400 of them, strategically placed around the Earth to create a ring of death. This weapon is the perfect Samson Option weapon, and I have no doubt that the Jews are secretly building these planet killer weapons away from the eyes of the Gentiles, with no nuclear inspections being permitted by Israel, and surely they must nearly have completed the required quota to achieve this effect, if not already.

The only reason why this has not been unleashed already is because the souls of the goyim are still being prepared for eternal subjugation by repeated psychological and spiritual trauma to give up their life force and willpower, and to lose all affinity with any genuine spiritual path, making them vulnerable to be simply consumed for energy and held in servitude to the Jews, maybe even as the very ground underneath their feet on the New Earth of the Jews.

For the Jews to successfully keep their catch, the goyim must first be made to actually want to give themselves totally to their own subjugation, degradation, slavery, and ultimately, unending complete

spiritual unconsciousness, and this is achieved by deceptively forcing upon them submission to 'Allah' and 'Jesus' for instance, or to Pol Pot, or Chairman Mao, or Stalin, with Jewish occult workers posing as entities like Allah or Jesus to manipulate the gullible Gentiles into the pot.

The aim of the Frankist Jewish religion is to totally destroy all ecosystems on this planet, and then to receive new bodies for the disembodied Jewish souls, on their Jewish New Earth, just as the Christians themselves believe in a New Earth, that belief coming from the Jewish religion in the first instance.

When WWII is provoked, and the state of Israel is ultimately immolated of course, that obviously being understood by the Israeli rabbis and politicians at least, the Jews really will have their 6 million holocausted Jews, necessary in prophecy to create their true intended spiritual homeland, and I think that will involve a massive spearhead of 6 million newly discarnated souls to push through to a new dimension in highly coordinated fashion, to found the first community of their New Earth. After all, this is what this is all about, this is not the real spiritual world of any group of souls, and all religions believe we are spiritual and come from a spiritual dimension, and this will very likely be the intended Jewish method of reattaining that.

This whole thing is ultimately not about the physical dimension, but about the occult spiritual dimension, in which the actual consciousness of all souls is ultimately rooted, and this is a battle by the Jewish souls for spiritual superiority over all other souls. The Jews have no real God to support them from above, so they would have us Gentile souls as prisoners to support them from below instead, stealing our God-given life force in parasitical fashion.

Hindu religions and the Sufi religion, amongst others, hold that souls can even dwell as stones or physical elements, and the Jews would hold us all down as mere clay beneath their feet, our consciousness restricted to something like that of mere plankton, relegated to being trapped in lower bodies without any chance for self-expression. The triumph of the will indeed. But whose will will it be that ultimately triumphs?

Jews maintain the ability to reincarnate at will as Jews only, their people often using conscious astral projection, so that they can plan their future

incarnations, and no doubt, skilled teams of Jewish souls on the other side wait for discarnate Jewish souls to guide them into a new Jewish body.

Such a massively coordinated Jewish society and communal will exists amongst the Jews, but look at how they shatter and degrade our societies, destroying the spiritual cultures of all other peoples, to make those peoples easy to manipulate and subjugate.

The non-Jewish peoples really will have to shape up on the inner planes and face down the Jews (the Jews cannot be taught, it seems, to adopt universally compassionate spiritual paths), or we will suffer a terrible period of hellish spiritual relegation beneath their feet. The Jews themselves have no compassion for any truly communal spiritual culture involving all souls throughout the cosmos, insanely seeking only Jewish mastery of all non-Jewish souls by placing them all underneath themselves, whilst seeing themselves as God Himself, with rabbis stating that God is not someone to pray to, but for every Jew to know as Himself.

In 1985 a lady asked me to take a sawed-off Japanese rifle over to the army museum at Ft. Ord, in Monterey. She was a docent at an historical site by the Wharf and was doing a favor for a donor. Or, I was to do the favor. The donor was retired Colonel Burton F. Ellis, she said. He'd picked up the thing in the Philippines during the war and thought it should be in the museum.

I'd recently managed to get off on a charge of possessing a submachine gun, so when I looked at the relic, I said to her, "This thing is hot." But it didn't seem hot to her and she persuaded me to do it for the generous donor of other historical items. So I did and there was no problem and I forgot all about it for a year or so. Then I read about the Dachau war crimes trial and the chief prosecutor, Burton F. Ellis.

I got his number in Merced from the lady, called him up and introduced myself with the "guerrilla gun" favor. He was on his guard. I see, he said. Actually, I said, I just read a story about the trial and are you the same Col. Ellis? He was, and why was I interested? Well, WWII was the worst and most important thing that ever happened, and we need to know the truth about everything, if possible, I would think. I read that the Malmedy Massacre was just another shoot-out that our guys lost. No, he

said, Peiper and his men confessed.

Right. But I've just read that they were tortured by having their nuts crushed. And screaming women were identified as their wives, sisters or mothers in a nearby room. That's why I called you.

This was all investigated, he said, and found to be untrue.

Anyway, I said, the SS guys were all eventually released, which indicates they weren't guilty. No, no, he said. Peiper was guilty, but he was a hell of a man and there are things you have to do in war... (This from the prosecutor, who obtained 42 death penalties against Peiper and his men) Did you say that at the trial? No.

The reader may be unaware of the effort by the great Joe McCarthy to prevent the hanging of Peiper and his guys. This effort first put him in the army's cross-hairs – and the Jews' – which culminated in his strange death at Bethesda Hospital eight years later after accusing the army of following the Communist Party line.

It truly beggars belief that the world still holds onto lies due to not only incredibly brainwashing but missing the ability to think constructively.

For example, while at a party, last night, I was speaking with a friend of mine and it was the first time he and I had ever breached the holocaust narrative. He started speaking about Hitler's extermination policy, which I corrected him on by stating an 'expulsion policy' both being completely different to one another. I also said that there was no mass killing of Jews in WW2. When I mentioned Nuremberg I stated that these trials were what opened the world up to the killing of 6 million and yet it didn't seem to click with him when I said that before Nuremberg, the 6 million death toll had already been doing the rounds some 140 times already (http://radioislam.org/islam/english/revision/six_million_myth.htm) dating back to 1900. When I also mentioned that nowhere in the war memoirs of Churchill, de Gaulle and Roosevelt were there any mention of 6 million or a deliberate extermination of Jews, he looked at me again, stating that that means nothing. I continued by telling him that the Red Cross never reported of any mass murder or gassing either. It still didn't click. The cognitive dissonance set in. He mentioned how he read about the trial in Canada, to which I intervened with Ernst Zundel and he said that Zundel's allegations were a joke. The debate continued, but I was happy to see that my presenting him with facts made him decide to dig more deeper, as I said his knowledge WW2 was purely that of the victor and he needs to start doing his own research outwith the msm and academia.

I told him simply that if the myth that he calls the holocaust is destroyed then so to will Israel. He did agree with that. He said he does know alot about Zionism. Overall, it was an interesting debate and he remained polite throughout. I think he will see the truth one day as I finished by stating that in everything that happens in life to the detriment of many, one has to always ask *cui bono* and therein the answer lies.

Getrude,

I asked him if he'd ever heard of the Holodomor to which he replied he hadn't. Of course after mentioning it, he replied that he believed Stalin far worse than Hitler, to which I then brought up the fact that Hitler had made eight peace attempts with Britain, but Zionist owned Churchill wanted war. He brought up Hitler's invasion of Poland and Czechslovakia, which I then replied he was merely wishing the Danzig and East Prussia back, taken away after WWI in the Treaty of Versailles as well as reunite the Suddetenland Germans, in the newly created Czechoslovakia. There was nothing he could say to me that wasn't answered as to why. I even stated that Chamberlain did bring peace but the majority have been so brainwashed into believing that Churchill was a savior that they are unable to see that there was going to be war with Germany no matte what happened.

“That's right, and it's documented in Archibald Ramsay's book

“The Nameless War.”

Quote

“Nowhere was the Jewish fury so obvious, of course, as in Moscow. I have before me a leaflet of my own designing put out in October 1938. It runs: “Are you aware that Mr. Chamberlain was burnt in effigy in Moscow as soon as it was known that he had secured peace; Showing very clearly Who Wanted War, and who are still ceaselessly working to stir up strife all the world over.”

Yes Red Onions.

I've read the book and it's a cracking read. I also believe that Chamberlain spoke out against the Jews and hence his rapid demise from office. Sadly a great man, who overwhelmingly wanted peace is used as a symbol of cowardice and appeasement, when had people listened to him, a war with Germany would have been averted, millions of lives saved and the hell we know as Israel wouldn't exist.

I think you'll enjoy David Irving on Churchill (<https://www.youtube.com/watch?v=hzfeNkl-Sfw>) if you haven't watched it already.

Well done Harbinger. Many people today forget that any subject should be viewed objectively and based on merit and supported factual content. Uncontrolled emotion, opinion based on hearing a narrative repeated endlessly (young friends of ours call the History channel “the Hitler channel”) dismissing uncomfortable evidence out of hand because it challenges official positions, is resulting in the destruction of many lives, mostly the types who do not read LD and Alternative media, and particularly the mentally enslaved believers of ‘Rockefeller medicine’. An interesting book that questions the Hess doppelganger at Nuremberg is “The Murder of Rudolph Hess”. Rudolph Hess was badly wounded in WW1 and bore permanent scars; the fellow at Nuremberg and who was incarcerated and died (murdered by MI6) in Spandau prison had no scars. All the top German prisoners on trial, people who knew Hess well wondered aloud either ‘what happened to Hess’ or “that’s not Hess”. His wife didn’t recognize him either, though she later accepted him for ‘unknown reasons’. It wouldn’t do to allow the world a remotely honest trial of the real Hess, who was probably tortured to death (Hess knew the date of the invasion of Russia among other things). Hess’s subordinate at the time, Martin Borman, was alleged to have played on Hess’s insecurity and reduced access to Hitler’s inner circle in early wartime by suggesting ever so subtly that Hitler’s well known reluctance to wage further destructive war with Anglo Saxon Britain (from the standpoint of the destruction of civilization) was of paramount importance, and by delicately playing on this theme induced Hess to take on his self created attempted peace mission hoping to meet with elements of the British establishment including a certain Duke, subsequently murdered by Churchill who got wind of the attempted negotiations. Churchill gave Stalin the Russian invasion date, though Stalin dismissed it as a British attempt to cause trouble. Hess lost his life, Germany was destroyed, looted, and enslaved (to this day) England lost it’s empire and a good deal more through the continuing lies and (jewish) ‘Institutional maintenance’, Churchill gained unlimited booze and caviar (how cheaply some

traitors can be bought off) and Stalin and the US split the world between them. Stalin planned to purge the jews, was murdered, and no politician can be elected in the USA who isn't subservient to Israel. That's what Nuremberg and everything else were really about...

“The Murder of Rudolph Hess” was written by Hugh Thomas, who in 1973 was surgeon to the British Military Hospital in Berlin, and was able to examine the prisoner twice and what he did NOT find led to five years of further methodical research thoroughly tested before publication. Thomas notes as well the extraordinary refusal of the prisoner to see Frau Hess for 28 years, or to receive any visits from his former devoted secretaries while he served as Reichsfuhrer. Also, great photo of the Duke of Kent's crashed seaplane (which was never explained why it was flying over land at all) in “Double Standards; the Rudolph Hess Cover-Up” by Lynn Picknett, Clive Prince, and Stephen Prior. Then there is the interesting post mortem photo of the back of the neck of the deceased (murdered) prisoner of Spandau showing a “horizontal mark more typical of strangulation than hanging” opposite pg. 269 in “Hess, Hitler & Churchill; The Real Turning Point of the Second World War- A Secret History” by Peter Padfield. Happy reading!

Winston,

I will read the book about Hess, Winston. There are just so many lies about WW2, but they are there to keep the people transfixed to the viewpoint that Germany was evil and must be destroyed, just as the book *Germany must perish* stated also. The more I read about Hitler the more I see how he was warning the world of the Jews, a people who many had warned society of throughout the ages, to be very wary of or suffer the consequences. However, we are told to 'love the Jew' because those who control us are Jews, who own the msm, academia, banking and all other forms of mass control. The very fact that there is an 'anti semitism' slur word to not only attack those who criticize Jewry but protect them from their crimes proves that Jews are ethnocentric supemacists.

I just wish people would put the pieces of the puzzle together. They really have no idea what future they're creating by not doing so.

Why on earth would Israel put out an article like this? If anyone would criticize this article it would overwhelmingly be Israelis and other Zionists. The Nuremberg trials allowed Zionsm the state of Israel you silly man.

If you're going to insult then at least do so with meaning and reasons to back up as to why. Anyone with the slightest modicum of common sense would realise that the torture fest, kangaroo court we know as Nuremberg was 100% the responsibility of Rothschild & Co. I watched Canadian film maker Atom Egoyan give an almost erotic synopsis of his new movie “Remember”.

He waxed pathetically on Christopher Plummer’s performance as he veiled just what it is that Plummer needs to ‘remember’. Well, turns out Plummer is an Auschwitz survivor who enlists the aid of Martin Landau to hunt down and seek revenge on the Auschwitz commandant. It really doesn’t get any more mind-numbingly lame than this.

America and the allies aided and abetted the most murderous ideology in human history. Even Brzezinski has called it a “moral outrage” that in the wake of massive denunciation of Stalinist atrocities in the former Soviet bloc that not one commandant, torturer, executioner, or functionary has EVER been placed on trial.

Post 1945, work camps, in effect, death camps, were established all throughout the former Soviet bloc.

How murderous were those communists? Think of Katyn where they executed the cream of Polish intelligentsia and tried to blame it on the nazis. 5,000+ Polish officers – terminated.

Germany’s biggest mistake wasn’t Hitler. It was the erection of those god-damned cathedrals, synagogues, and mosques. NOTHING good comes from the semitic religions. N.O.T.H.I.N.G.

One view of Putin is that for Russia's "Institutional maintenance" revisionism is not promoted because of the enormous sacrifice Russia made (jewish commissars ordering infantry to walk into minefields to spare damage to tanks and so on). Then there is the problem of marginalization; when most of the world still is brainwashed by the holocaust myth, what do you and your country stand to gain by attempting to correct it? Russia doesn't need more disaffection at the moment. Still, you have to be wary with Putin or anyone else. For my part, I think he did the absolute right thing to nationalize Rothschild owned Yukos, jail the filthy criminal (look at his record starting way before Yukos, stealing from pensioners and so on) Khordokovsky, and of course, nationalizing the Central (Rothschild) bank of Russia to support the ruble. All in all, I don't think Israel is too very pleased to have the Russian air force as their new neighbors- despite what Mr. Putin might SAY about 'holocaustianity'. One of my favorite quotes when finding oneself in "RODOH" situations is from Major-General F.C. Fuller, British army officer, military historian, and most notable strategist whose "Nine principles of War" formed the foundation of modern military strategy. He also was a prolific author, writing 45 books before passing away in 1966. The quote is from his book "The Conduct of War"; pages 260-261 describe the efforts of Churchill's government to instill unnecessary fear in the British population in WW2: "This led to wholesale arrests; hundreds of people whose

sole 'crime' was that they considered the war a blunder, were held in custody without charge or trial, and in conditions which can only be described as barbarous. One internee, a German-Jew refugee, who previously had been interned at Dachau, stated that conditions were so much worse at the Ascot Concentration Camp than in Germany, he would rather spend six months in Dachau than one at Ascot."

Having spoken to Brother Nathanael a few times, he appears to be on the up and up. He was born and raised jewish, and converted to the Russian Orthodox Christian Church to become a monk later one. He is a street evangelist that travels about the USA for his religious cause. He constantly calls the jews out, by name, for what they do primarily in the USA. He has received numerous death threats over the years since hitting the net with his website back in 2005 when he said that God called him to get the word out about the jews. His website has been terminated and hacked several times.

His attitude toward Putin is driven by Putin's actions and Putin's dedication to the Russian Orthodox Christian Church. He pays close attention to what Putin does especially concerning the church.

He is dedicated to his faith even though the head dude of the Orthodox Christian Church in the USA has reprimanded him for his constant criticism of jews. He spends a tremendous amount of time praying everyday as required to be a monk in his church.

Is he always correct? Much more often than not.

Hopefully this helps answer your question.

@ Brownhawk

I am so disgusted with this site and the low level to which it has plunged in my estimation that I can no longer bring myself to comment on putrid articles like this, alleging torture and testicle crushing by Jews — without the slightest evidence. There is no such thing mentioned in Torah or even in Talmud.

Our late Lubavitcher leader, Menachem Schneerson, honored by President Reagan in 1983, has told us that we Jews belong to a different species, a superior species that is essentially superhuman. Goyim are to be regarded as mere animals. Would we bother to crush the testicles of the lower animals? I assure you, that would be totally out of character for a super-race more allied to the gods than to mere mortals.

Israel's Deputy Defense Minister Eli Ben-Dahan referred to the Palestinians as "animals" in 2013. "To me, they are like animals, they aren't human," he stated correctly, to the total agreement of the Knesset and every right-thinking person in the Jewish state. "A Jew always has a much higher soul than gentile," he added, "even if he is a homosexual."

Sephardic leader Rabbi Ovadia Yosef confirms these statements by ruling: "Goyim are born only to serve us."

These are facts unknown to degenerate writers such as Lasha Darkmoon who hold to erroneous ideas stemming from the sewers of Nazi Germany. There is no doubt in my mind that this deluded lady regards herself as some kind of Aryan goddess. I have written to her 16 times and never once has she had the courtesy to respond to me.

This is the way the Nazis behaved: with arrogant contempt toward the Jewish intelligentsia. Testicle crushing, phooey! Who would bother to crush the testicles of such human vermin?

Darkmoon should get a life and let some nice Jewish man fuck her. That would teach her who the boss was.

Lasha. I believe every word you say. People are very naive specially people who do not like to read books and they believe they know every thing because they read the Jewish controlled news media on a daily basis. There have been so many crimes these Khazarian Judaic Mafia have done to humanity for centuries and the people are not even aware of it. They were behind the Armenian genocide in 1915, they

orchestrated the destruction of the Russian Christian society and their Monarchs in 1918 and on, they mass murdered more than 60 million Russian Christians in Siberia, 9 million in Ukraine, 13 million in Germany under the command of those Jew monsters: Trotsky, Lenin, Stalin and the “Allies” who were also mostly rapist, cold blooded murderers, The other Jew monsters were Eisenhower, Roosevelt (real name Rosenfelt), Churchill, Stalin. The Jews are a cancer to humanity.

EISENHAUER.... Jew...

The Faked Birth Records & Genealogy of Dwight D Eisenhower, a Foreign Born Infil-traitor

<http://www.whale.to/b/faked.html> (<http://www.whale.to/b/faked.html>)

Notes from Ken Adachi, Editor

<http://educate-yourself.org/cn/eisenhowerexposed29apr10.shtml>
(<http://educate-yourself.org/cn/eisenhowerexposed29apr10.shtml>)
April 29, 2010

“Don Nicoloff has spent several months digging into the background of former President Dwight D. Eisenhower and has discovered compelling evidence that Eisenhower was not born in the United States, but rather in Buchovina, Austria-Hungary under the name of Johann Adolf Eisenhauer, the illegitimate son of Emperor Franz Josef I von Habsburg. Don asserts that Mamie Eisenhower’s background and birth records were also faked.

“There’s little doubt that Eisenhower’s claimed birthplace of Denison, Texas is a fabrication. Eisenhower himself told U.S. Immigration officials that he was born in Tyler, Texas when he arrived on the USS Cristobal (from the Panama Canal) at Ellis Island in 1924 with Manie and their two year son. The Denison

birthplace ruse was orchestrated by a flim-flam artist who went by the name of Lonnie F. Roberts. Don claims that Lonnie F. Roberts was actually the brother of Johann Adolf Eisenhower (aka Dwight D. Eisenhower) and was involved in many fake identity scams to bilk the government of military veteran benefits.

“I’m not sure that all of Don’s conclusions about when Eisenhower had first infiltrated into the United States are accurate, but the evidence that Dwight and Mamie Eisenhower are foreign born nationals is very strong.”

Good information to have, Pat (as well as is this article on the torture). No doubt you recall Robert Welch and his tome ‘The Politician’ (about Eisenhaur). However, The Birch Society was very touchy about exposing the banking scam, despite their posturing as American patriots. It is, certainly, a complicated web of intrigue when one considers the depth of duplicity against the American people and republic.

Gilbert,

I like you. You show spirit. But there was no need to insult Lasha and make pointed personal comments about her. Why

did you do it? Hasn't Lasha always been kind to you and treated you with politeness and respect?

You owe her an apology.

I like you, too, Toby. Truthfully, I did NOT intend to insult Lasha so much as I tried to offer some some encouragement to Mr. Tyron Parsons in a previous post where I perceived that his good intentions were misconstrued. (Yes, some try too hard to be honest and sincere!) (Your openness on this site does often encourage too much candor among its posters – which reflects your own integrity, too! 😊)

Lasha is an A-number-one teacher and discloses a lot of good information from which we all benefit – as do many of the comments she invites. I did not mean to insult her, nor do I wish her any harm. I like her very much. However, in her business of disclosing Truth, she no doubt expects her ‘pearls to be cast before swine’ on occasion. See Matthew 7:6. 😊

Whether I continue to comment, or not, doesn't matter in the least.

You will note that the above comment of yours went again for monitoring, but this is NOT because I am monitoring you! Your comment went for monitoring AUTOMATICALLY. I think this is because you referred to Tyron Parsons in your

comment. Any direct reference to Tyron will *automatically* result in your comment being sent off for monitoring. (Refer to him as “TP” and I think your comment would be posted without any monitoring).

Please continue to post as normal. We welcome your comments. This site wouldn't be the same without you! 😊

I had several battles with Wikipedia, trying to correct several of their misleading entries or outright lies, including their denying the atrocity carried out at Nemmersdorf by Russian troops. In messaging correspondence with the liars (I don't know any other way to describe them) at Wikipedia, I informed one of their editors of the rape of two million German women by the allies (acknowledged as factual by all historians now) and she was completely unaware of this and denied it until I supplied her with an article on the rapes by the extreme left wing German magazine "Der Spiegel," the biggest magazine in Germany.

To the best of my knowledge Wikipedia owner Jimmy Wales and most of the editors, or those with the last say on a subject are Jews.

GUTEN TAG, LEUTE!!! DIE SPRACHE VON CHRISTUS!

GOOD ARTICLE OF HOW WE RIGHTEOUS HAVE ALL BEEN 100% LET DOWN BY THE ONE WHO SAYS “HE IS LOVE” (I JOHN 4:8) AND WHO PROMISES TO ALWAYS PROTECT US (I COR 13:7).

VERY SAD!!!

ESPECIALLY, IN LIGHT OF THE FACT, THAT TO CREATE AND MAINTAIN A PURE, LOVING, KIND, GENTLE, CARING WORLD, TAKES VERY LITTLE EFFORT.

DESIGNING, CREATING, AND MAINTAINING A WORLD OF ONLY SUFFERING, FOR US RIGHTEOUS, TAKES 10000000000S OF TIME MORE EFFORT TO DESIGN, CREATE, AND MAINTAIN!!!

LD'S RESPONSE TO JEAN-BAPTISTE:

Pascal had no difficulty believing in God in spite of all the suffering in the world. This is because he had a mystical experience of God. A personal experience. He was a great scientist and mathematician...and yet he believed in God.

God does not intervene in human affairs. He is a non-interventionist. For him to step in and “prevent evil” would be to mechanize the universe and make a mockery of free will.

If God were to interfere in human affairs even once, it would mean (logically) that he would have to take action every time a chicken crossed the road in front of a speeding car. Every time a foot was about to descend upon an ant, God would have to come to the ant's rescue and redirect the foot an inch to the left or an inch to the right. Every time someone sneezed, God would have to make sure that no one in the area caught a cold.

You seem to want a clockwork universe in which no one ever comes to any harm and where every act results in perfect happiness.

We know for a fact that two things determine the course of events in the world: (1) The individual will, whether human or animal. (2) Randomness or pure chance. There may be a third determinant, but of this we cannot be certain: the will of unseen entities from beyond the material world.

@ Jean-Baptiste

In addition to what Lasha has written, Jesus did not say that he or God would protect anyone from the free will of their fellowman intent on doing evil against someone which is why Jesus told his disciples to acquire swords since he would no longer be physically with them. Jesus did indicate that God would protect you from the devil in the Lord's Prayer in its original version, "... but protect us from the evil one..." – Matthew 6:13. "The evil one" was changed to just "evil" to make followers of Jesus sitting ducks for the evils of mankind thinking that they are protected. To be a follower/disciple of Jesus, a person must be armed to defend themselves against their fellowman. Those who think otherwise are misled and not keeping the sayings of Jesus as we were told to do to be a disciple/follower of Jesus.

Unless you have an exceptionally strange bible, your reference

to I Cor. 13:7 has nothing to do with Jesus or God protecting anyone.

“Torture was often practiced for its own sake, even when there was nothing to find out. It was practiced for sheer pleasure: because it gave the torturers a ‘high’, a feeling of sadistic omnipotence, of orgasmic euphoria.” – I think I wrote this, several times over.

Contemplate this statement very carefully, for in it lies the very essence of the enemy’s mind. This is not a normal race, these are not normal people by any stretch of the definition. Read their Protocols, their Talmud, their Bible; these documents all clearly state the mental essence of our enemy. Watch their actions against the Palestinians and realize to Jews, we are all Palestinians or perhaps even less.

There will be massive bloodshed – it’s coming. The Jews immigration policies across western civilization leave no doubt as to the ultimate genocidal intent of the Jews. Whether it’s Jewish blood or white man’s blood, only one will survive; Jews will not allow any other outcome. History proves conclusively there can be no surrender, for Jews take no prisoners – only murder victims.

What Jews did to Germans after the war make their murderous intent abundantly clear; surrendering to the Jew will most certainly lead to the most horrible, torturous death imaginable. There is no option, only a fight to the death. The sycophants doing their bidding are stupidly ignorant of the fact that Jews have no friends – only victims. Make it clear to them they are not working for “national security”, the “flag”, “glory” or to “save the children.” These are Jewish lies to motivate their willing slaves. The fact is they are merely working for a paycheck comprised of worthless Jewish script.

In the end, one will either die fighting, taking out as many Jews and their sycophants as possible, or face slow starvation, torture, or being worked

to death as slaves. Therefore, Jews must be given a clear signal that we understand their rules, i.e. they do not compromise, therefore we will not compromise but totally commit to fight to the bitterest of ends. The survival of humanity, of humanness itself, is what is at stake.

Sometimes I think that of all religious systems grown in Europe, the ancient Greeks came up with the best one, the healthiest, most flexible and adaptable and therefore resistant to ideological syphilis of Judaism.

The Romans adopted it but made it into a rigid state system, like a ministry of propaganda employed in conquest and control and it was this that provided an opening for Pharisaic infestation.

It is like comparing nutritional values of breads,
— one baked the old fashioned way with live starter and heritage ingredients, and
— sliced Wonderbread.

Btw, not going to read the testicle-crushing article, I fully acknowledge the broad claims of torture, that is special Jewish theme park and I do hope Colonel / Brigadier General Yossi Oded Shahak is seeing the other side of coin over in Iraq right now (all methods vetted by lawyers like Derschowitz for DOD, Abu Ghraib, Guantanamo and especially the exclusive prisons-for-Palestinians in Israel), but thinking about such things is bad for sperm count.

“So this is something we ought to bear in mind when watching all those

Hollywood movies celebrating the heroic deeds of the Allies in World War Two and lamenting the horrors of the Holocaust : that Jewish interrogators, working for the Americans, are known to have beaten, tortured, and crushed the testicles of German defendants before charging them with war crimes at Nuremberg.”

For a more realistic Jewish viewpoint of the war and its Jewish aftermath, watch Inglourious Basterds. Just keep your barf bag handy.

“Inglourious Basterds is a very difficult film to pigeonhole. It’s part Jewish revenge fantasy, part gung ho war film, part knowing parody of patriotic flag wavers and 100% Tarantino. ”

Actually its 100% Jewish revenge fantasy crafted from a sickening postwar reality they created. Read more of what clueless idiots say about this sickening film here. http://www.rottentomatoes.com/m/Inglourious_Basterds/ (http://www.rottentomatoes.com/m/Inglourious_Basterds/)

From those reviews I read, I guarantee not one of these idiots knows any real history. Not one has read a book like “Hellstrom”. Not one knows anything about the Jew’s heinous murders of the indigenous Russian people. Not one realizes this movie is their future. This kind of stupidity puts even token resistance against the Jewish agenda in question.

I know about testical crushing from personal experience. In Australia our medical scheme is run and controlled by Jews. My Jew Doctor had arranged for me to go into hospital for a bowel scan, I didn't know that it included a gatro scopi as well for which one is made unconscious. I was apparently on a hate list because I had said to local Jews that the holocaust was B/S.

I had no recollection of the test, complete memory loss, just pain in the general groin area. No sexual arousal or erections for a year. Vague mental flashes of being on a gurney

covered with a hospital thermal blanket surrounded with bright light.

After a year and being given Tetanus while having a skin cancer removed from an ear but not told what was wrong with me after being taken to hospital. I received no treatment and was sick at home for six weeks. After a couple more months I decide it was time to find out what was wrong with the genitalia and why no activity for so long. A large amount of black blood was ejaculated. I

was sent to a Jewish Doctor who was a specialist and took anti biotics

which relieved some of the pain . While waiting for more tests I was a woken by tremendous pain and a dream like flash of two nurses, one at the lower left end of the gurney with her head turned away and left arm under the blanket and another on my right side behind me with her head turned and the left arm across my chest.

The sudden pain caused me to sit up but I suddenly passed out. I did notice the same gurney and white thermal blanket. Those Lesbian nurses had done things to me in the past, our hospitals have been stacked with them. Three years and a lot of pain after, I still don't remember going to the hospital. I did contact legal help (Jews of course) who didn't bother to call me back but the Doctor who took the cancer off my ear phoned me.

All the medical and legal system as well as the political parties are dominated by Jews

so I can do nothing but tell the world that I do exist and when I go silent someone some where will perhaps guess why.

You are correct except that modern medicine (allopathic) is a jewish invention. The determination is simple. Look in their

bag of tricks and all you see is knives, poison, and burning along with the idea that God is stupid and that they can fix it. Given its characteristics, modern medicine cannot be considered Christian based on the teachings of Jesus and it was developed in the Jewish controlled western societies which leaves only the Christian hating Jews as the culprits. Homeopathic medicine is the only way to go.

keep away from them Raymond, in the aftermath of expulsion from Spain, the Satan's emissary in the newly fallen Constantinople told Jews to employ medicine towards gentilocide by deception. I wish more people would catch on, but the Americans are by far the most wretchedly medicated nation on Earth.

Just see the saturation propaganda on TV, out here in the Far East I have yet to see a single pharma commercial plugging even bug spray, let alone the plethora of anti-depressants.

The only true, working anti-depressant is NO JEWS!

Watch this, as Dr Peter Gøtzsche exposes big pharma as organized crime (<https://www.youtube.com/watch?v=dozpAshvtsA&feature=youtu.be>).

And he is a really big hitter in the world of clinical research, they can't touch him without removing hundreds of already published articles in the highest rated medical journals, textbooks, thousands of citations ... too late to retract all of them.

And what are Satan's servants on Earth if not organized crime? They own every single major pharmaceutical company with global distribution, all the chains of Medicare milking "health care" providers, they run all the professional journals, instrument makers, insurance corporations and of course, the ever supportive media that talks in one voice, one side of the mouth.

All in service of worldwide gentilocide.

You know Lobro,

You have to give it to the Jews when you really think about it. They control the media, academia, Hollywood, Sports, Banking, politics, law and order, terrorism.....the list goes on and on.

Their success is 100% down to the lack of skepticism and survival instincts amongst the non Jews. I mean think about it? How long has it been since the Jews took control of the Ivy League, from being a bastion of white Christian dominance that put a ban on Jews (I believe) to one under Jewish control that allows minorities over the majority and of course, lots of Jews? Jews can openly write in newspapers that they control Hollywood and the msm but should any goyim mention the same then it's hasta la vista career and future of being called an anti semite and possible blacklisting?

And they control medicine.....well, no shock there. I would refuse to see any Jewish doctor. Then again, I pretty much

refuse to see any doctor simply because I don't like people poking me, I refuse modern medicine and when it's time to buy the farm, so be it. If told you need a heart bypass or you die then, well, I'm off to see a homeopath and if that fails, a long walk in the mountains.

Again Lobro, how many Jews in this world? There are what, 15 million compared to how many goyim – 6 billion? In essence it boils down to one Jew being the shepherd of 400 goyim. That's pretty bad isn't it, considering a large number of those are Christians, happily accepting to be Shabbas Goy to the religion that crucified their prophet. At least the Muslims are fighting back. God knows what it would be like on this earth if Jews had murdered Muhammad..

And now imagine that after WW2 when Poland was betrayed by Roosevelt and Churchill in Tehran 1943, then in Yalta 1945 and given by West to the Jewish vampires of USSR as a bloody gift, most of these Jewish monsters, psychopaths and murderers have constituted communistic government in Poland. For many years these Jews had been murdering, persecuting, torturing, arrestig, killing hundreds of thousands innocent Poles. After WW2 they implemented red terror in Poland, like in occupied Russia from 1917

Please keep in mind that hundreds of thousands of Poles risked their own live and lives of their whole families helping to save Jews in German-occupied Poland during WW2. Poland under German occupation was the only country in the world where there was a death penalty for helping Jews. Almost none of the heroic Poles neither expected nor wanted gratification for their help. Help to Jews was a catholic imperative to the majority of Poles, like help to any other people. Poles also never wanted the Jewish prize of a symbolic tree in Yad Vashem. Nevertheless, there are over 6400 Polish trees there symbolizing “The righteous among nations of the world”. This can help to image the scale of Polish support to the always non-grateful Jews.

Now, after being hosted in Poland for 800 years, through all the time as a separate nation which never wanted integration with Poles and always acted against Poland, always had been betraying Poland, these pathological Jews are as bold as brass to claim that Poles were responsible for the so called holocaust of Jews.

Well, the inconvenient true is that these are Jews who had been murdering Jews during WW2; Jews of the Jewish Gestapo in Warsaw’s ghetto, Jews of Jewish police there, Jews of their councils called Judentats collaborating with Germans, Jews of the Jewish soldiers of Hitler, Jews of

Wall Street & City financing Hitler, Jews of BIS, and so on. West Jews had been murdering poor Jews of East Europe as a sacrifice for the future Israel and to erase the traces of their real national heritage of primitive poor folks aspiring to the chauvinistic position of superior race on the planet earth, like their Hitler or Trotsky and the rest of the gang. Jews hate Poles because they kono that we know all their crimes.

Yep....the Jew Ike stopped Patton's march onwards towards the East at the Elbe and left Patton's Army short of ammunition and fuel which was preferentially given to Montgomery's Eight Army..... Patton on entering German territory soon realized that the Allies had been fighting the wrong people, he paid with his life for his indiscretions.....

I got my balls crushed like scrambled eggs in syria about 20 years ago; i was lucky my balls are big and the guy`s hands (the torturer) small so every time he tried to grab one of my balls it would slip left then he would try again and it would slip right i was scared he was gonna get tired and just go get a hammer but instead he got some pliers and switched to Nail pulling; he did this while sporting a benevolent look. He pulled three and someone came and told him to go eat or something to that effect; i was lucky. I am sure he is dead now after all this death and destruction in syria. What i see in this article is a variation of the "The Jews Made us Do it" syndrome but hell if i was a jew and the table got turned i would not only crush the germans balls i would cut them off,

peel the skin off, add saly and pepper and fry them and then just eat them. But thats me. I am now going back to watching Bill Murray in the movie where he says “Roses are red violets are blue, I am a schizophrenic and so am I” hahaha thats so funny bye haters

In China, the preferred method is not a fast deep-fry but a slow-broth simmer, (to maintain all the essence, as it were) and it isn't German testicles that are “Chosen”. Indeed, it is reputed that the “The Broth of Incredible Money and Power” will bless those who drink it with enormous wealth and power, just like the Jews. No pun intended, but a black penis is thrown into the pot to add meat and longevity. http://m.liveleak.com/view?i=899_1445136855 (http://m.liveleak.com/view?i=899_1445136855)

All of them participated in so-called "Malmedy trial"

A very timely article, considering Putin intervened in the Middle East. I'm not surprised Lasha the talmud-qabalah jewess who always pretended to be a "NON jew", is now feeling as if she's being tortured.

Now she, along with her whole army of Darkmoon jew trolls on this site, all pretending to be non jews opposed to jews, are now faced with someone with real serious power behind him, namely Putin, who is actually doing something to defeat the jews and defeat the jew NWO. So Lasha and her army of Darkmoon trolls who fill this site are now in the position of having to pretend they actually like Putin who is destroying their jew talmud-qabalah Darkmoon jew supremacist dreams and schemes, LOL.

So of course it's something extremely painful, and jew Lasha and her army of jew supremacist trolls on this site are feeling as if they're being tortured. It must be very painful to be a jew supremacist troll who always pretended to be a "non jew".

Before Putin, Darkmooners could play-pretend they were opposed to jews and to the jew NWO because there wasn't any serious opposition to the jew NWO, so pretending was fun and laughs and mockery and farce. But now with Putin making it hot for the Jews, it's fun and games no longer. In fact, it's downright torturous. Hence an article about torture. How Darkmoon LERVS to leave jew clues in its wake. LMFAO!!!

.....

Dear "Lasha"

Please take my advice and block for good, this very clever liar Joe. I have been studying the JEWS for the last 15 years .. after having been brought up in a rather Judophile Family

This is what my conclusion so far is after quite intensive studies:

It has been discussed WHO ARE the JEWS ?

A Race , a Religion , a Tribe ?

The Answer Is..simple ... Jews are a Congregation of PSYCHOPATHS

They are MENTALLY SICK

Existing under a NARCISSISTIC INFANTILE GROUP PSYCHOSIS

Which without regard to anyone else

Will Use whatever means possible

To achieve POWER and DOMINATION over other People

As their SOLE DRIVING FORCE

THAT is the UNIFYING ELEMENT of JEWISHNESS

Their Development as Humans has been arrested

At the INFANTILE STAGE of wishful OMNIPOTENCE

As Psychiatrists know

Psychopaths are extremely adept in HIDING their MENTAL DEFECTS

Likewise it has Time and again been shown

PSYCHOPATHS are INCURABLE and DANGEROUS

They URGENTLY need to be PUT IN A STRAITJACKET

Or NEUTRALIZED by other means

... for their own Good !

I don't know anything about the banking system in Russia. What I do know is, I know Putin is sure turning the jew's ISIS/ISIL into mince meat. If Putin is on the side of ZOG and the jews, then why is Putin totally destroying jew ZOG's most efficacious tools in the Middle East, ISIS/ISIL, why is Putin eradicating the jew's Israeli Secret Intelligence Service? Yes, one learns more from one's philosophical opponents [that's why debate is so important to learning, if the debate is

based on the old-time and classic rules of fair-minded debate, which is a rarity in the “alternative” media which mendaciously prides itself on its fair-mindedness and good faith, traits severely lacking in the “alternative” media] and one can learn more even from one’s enemy, then one learns from one’s friends and allies. Friends and allies are TOO busy patting one another on the back for being so smart to learn much from one’s friends and allies. See the jews and the Zionist “christians” for example. So busy patting each other on the back for being so “wonderful” , Putin stepped right in and taught them both a few lessons both seriously needed to learn. And I, for one, am rejoicing in Putin’s victories over jew ZOG, and that’s ab imo pectore.

Darkmoon, thank you for keeping the quest for historical truth alive. Whenever I am confronted by the history based stories from either the Soviet Union under Jewish Bolshevism or now the flow of data hidden by Western propaganda from World War II, I am puzzled by all the contradictions between the ways in which Jews see themselves compared to the acts committed. It’s stunning.

Alberto who is a perfect example of all those bamboozled by the propaganda probably truly believes that victors don’t write the history books. If a person has never been on the other side of the power structure then all the myths of our current world make sense. I was there once as well. I thought my political activism worked because in fact I was on the band wagon for what the power elite wanted anyway and we showed up to reinforce the position that they were going to take regardless (I’m referring to my victories with environmental activism, the power elite use environmentalism and animal rights as a wedge issue). I also believed in the myths of the holocaust...the gas chambers, the lines that divided people to live or die, the whole ghoulish narrative.

Once upon a time there was a very old reel of film on the Nuremberg Trials that someone had found just lying around the floor somewhere. I watched a lot of that old film. I'm not sure what ever happened to it. I quickly scanned the internet after reading this article and realized almost everything out there has been edited by the power elite to enforce their set of information. Still, it's not working. Israel I understand from tourist anecdotes is actually in a war...not covered here in the U.S. or at least not taking any headlines. So.. forget about going to Bethlehem for Christmas if that was your plan, and forget about visiting a lot of places which apparently are also in taped off zones. I'm sure if you want, though, you can visit the Holocaust museum. Maybe in the end that will be all that will be left of the once rich history of the region. We can dwell eternally on a reconstructed past.

This story of the cruel torture of the German prisoners by Jewish members of the American occupation forces in Germany is a good example of a permanent trait in the Jewish character : revengefulness. One has only to read the Old Testament to become convinced that REVENGE is a major motive in Jewish thinking.

What is less known is that Jewish former partisans tried after the war to **POISON SIX MILLION GERMANS** in revenge for the Holocaust. The plan was to poison the water-supply of the cities of Munich, Berlin, Weimar, Nuremberg and Hamburg. However the plan was foiled by the British while the poison was in transit to Germany. I have read about this a long time ago and I remember that it was also said that the British were tipped by Ben Gurion who did not approve of the plan, not for any moral reasons, but because he didn't want to risk to miss the reparation money from Germany, which was sorely needed for the new Jewish state. Later Israeli president Chaim Weizman however did approve of the plan.

You can read about this outrageous Jewish attempt at collective revenge on the German people in the Wikipedia article *Nakam* here :

<https://en.wikipedia.org/wiki/Nakam> (<https://en.wikipedia.org/wiki/Nakam>)

Jews have also made a song in which this genocidal plan is glorified (refrain : “...six million Germans, six million Germans...”) which can be listened at, here :

The revengefulness of jews is especially remarkable as the Nazi S.S was full of jews [as was the whole Third Reich was full of jews, even Hitler was part jew] and the jews in the Nazi S.S did most, if not all, of the torturing the jews now blame on the whole German people. Just like the jews blame the whole Muslim world for the jew False Flag attack on the USA on 911 — which in addition to being a jew False Flag is also an IMMENSE ACT OF WAR AGIANST THE UNITED STATES OF AMERICA ; But the jew Pat who is so desperate now because so many people know 911 was a jew operation, he doesn't want anyone to think his jew tribe would actually use NUKES on the United States. How desperately Pat spreads the false and mendacious meme “There is NO such things as Nukes”, 😊 😊 😊 😊 😊 :). Pat LERVS smirky faces, so I always give him a lot to lovingly suck down.

That's one reason I won't go Nazi. The jews want a Nazi movement now that the jews are ready to abandon the USA en-masse. So when they go to other countries they can write books and conjure-up a whole “narrative” about how they had to leave America because of anti-Semitism and Nazism, and they will blame each and every NON jew American who ever lived for it , especially each and every

Christian American who ever lived the jews will blame.

Personally, I can't wait for the jews to abandon America, whatever their jew "narrative" about the reason why they had to leave. Don't let the door slam you on your jew butt, Pat. Don't go away mad, just go away.

Edgar Cayce defines Hitler Israel Jews <http://rense.com/general18/isaj.htm> (<http://rense.com/general18/isaj.htm>)

QUOTE:

It took me 25 years to find this quote, from Edgar Cayce's reading #5377-1. Cayce makes it very clear

Israel does NOT refer to the Jews, but to Truth Seekers.

No wonder this never sees the light of day. The numbers following these quotes refer to specific readings given by Cayce, and can be confirmed by the A.R.E., his organization.

CAYCE QUOTE: Let there be the study, the closer study of the promises which are made in the book [BIBLE], yes, the history of the Jew; yet these HAVING FAILED,

who is Israel? Not the Jew, but

Israel is THE SEEKER AFTER TRUTH. 5377-1

Other related Cayce quotes:

For those WHO SEEK are indeed Israel,

Israel indeed is ALL who seek;

meaning not those as of the children of Abraham,

but of every nation, every tribe, every tongue — Israel of the Lord!

This is the full meaning of Israel. 2772-1

Q: What should be understood by the statement (Genesis 49:10)

“The sceptre has not departed from Israel”?

CAYCE’S ANSWER:

Israel is the chosen of the Lord and that His promise, His care, His love has not departed from those

THAT SEEK TO KNOW HIS WAY, THAT SEEK TO SEE HIS FACE,
THAT WOULD DRAW NIGH UNTO HIM.

This is the meaning, this should be the understanding to all.

Those that seek are Israel.

So Abraham means call; so Israel means those who seek.

How obtained the supplanter the name Israel? For he wrestled with the angel, and he was face to face with the seeking to know His way. 262-28

Citations from the book: The Edgar Cayce Companion, A.R.E. Press, compiled and published by B. Ernest Frejer, 5th Printing June 1999. copyright 1995. Available in MANY bookstores \$22.95.

More Edgar Cayce And Jews:

Edgar Cayce stated that Hitler was guided by spirit, but ultimately went astray.

These readings also took me 25 years to uncover, and I’ve only found them in a book that is not readily found in most bookstores, and would certainly NOT be available if its contents were known:

Edgar Cayce’s Story of the Old Testament by Robert W. Krajenke (first published 1973, fifth printing 1997, A.R.E. Press, Virginia Beach, VA)

EDGAR CAYCE (in 1933 and 1935) COMPARES HITLER TO OLD TESTAMENT JEHU

Cayce on Hitler (Nov. 4, 1933: Reading #3976)

“The reading tells us [Hitler] could have brought ‘light to the world’... [and was] called [here] for a purpose.”

CAYCE: [Hitler] is called for a purpose as has been given; not only in the affairs of a nation, but as the affairs of the world

As he stands much in the position as did Jehu, as regards that people that *think* (Cayce’s emphasis) themselves oppressed.”....

“It would be well that each interested in the policies, and in which is the directing influence in the life of the dictator of Hitler, study that which has been the impelling influence in the *man*,

in the mind as it acceded to power; for few does power not destroy, as men. Yet this man, unless there is material change, will survive even that.”....

“If the power is held in that line as it has been directing in the present ...there will rise a new ideal in the hearts, in the minds of the people.

If imperialism among the people is kept in abeyance, great may be the rewards to this peoples, this nation. [Germany]”

Q-1: Analyze Hitler’s attitude toward the Jews

A-1. CAYCE: When the *character* of those that have received, in a manner, their dictations — or the dictates of the activity of the director in affairs [God/spiritual] — is considered, then it will be understood how that this is but that dictation which was given of old;

and how that those peoples though they were called — have wandered far afield,

and their rebelliousness and their seeking into the affairs of others has rather brought them into their present position.

Read they not that which has been given?

“When ye forsake my ways ye shall be scattered, ye shall be without those things that would bring ye into the knowledge — until that time is

fulfilled.

” Hence that attitude that is assumed is rather a fulfillment of that prophecy that has been made, and is the beginning of the return that must come throughout the earth (Reading #3976). (Nov. 4, 1933)

Q-7: Why is it that apparently Hitler is making a mistake in initiating policies that seem to be antagonizing the world? (Nov. 4, 1933)

CAYCE: Because the world has not yet understood wholly Hitler’s policies.

For these are initiated rather from the spiritual source:

and the world is very material-minded, and oft understands little of spiritual direction or dictation.

But they must come to understand, unless there is more injection of the imperialistic influences... (Reading #3976-13).

“As more and more question marks arose about Hitler’s rise to power, a question was asked in a subsequent world affairs reading of 1935.”

Q-4: Explain the relation between the information just given regarding Germany and the changes for this year, and the information already given through this channel [Cayce] on Hitler.

CAYCE: Read that, my children, that has been given;

that there was the destiny for the man, if he did not allow imperialism to enter in ... and it is entering. Hence must be called into question.

(Reading #3976) p. 81

NOTES from the book:

Was Jehu psychically developed as the readings imply Hitler was?

If so, then both men were open to a deeper source of unconscious vitality, energy, and charisma, which made them “chosen” leaders.

There were subjective channels of a higher force.

How they used — or allowed that energy to be used becomes the personal responsibility of that soul.

The book text goes on to say,

“Although this reading was emphatic about Hitler’s opportunity to fulfill a divine mission, the [Cayce’s] association in 1933 with Jehu was, for a student of the Bible, grimly prophetic.” p. 80

Mat 23:33 Ye serpents, ye generation of vipers, how can you escape the damnation of hell?

Mat 23:34 Wherefore, behold, I send unto you prophets, wise men, and scribes: some of them ye shall kill and crucify; and some of them shall you scourge in your synagogues, and persecute them from city to city:

Mat 23:35 That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom you slew between the temple and the altar.

Mat 23:36 Verily I say unto you, All these things shall come upon this generation.

One of the purest form of Satanism can be traced to the Jewish Sabbatain sect and its Frankist spinoff.

The leaders of this up to the Rothschilds were: Sabbatai Zevi (1626-1676) Nathan of Gaza (16??-?) Jacob Frank (1726-1791) Rothschilds

WHERE DOES NAZISM FIT INTO SATAN’S PLANS?

Let me briefly recap what some of the plan was . And while you read these plans that I am relaying to you from my intensive research on high level Satanism, see if you don’t see the irony in the Satanic plans .

How very ironic it is that in all the twisted thinking and reasoning of the leading Satanists for why they must do things, it is surprising they do not catch on that this plan of Satan’s is going to achieve

God’s revealed plan . How pride does blind us! (For the sake of brevity I will dispense with my normal method of documenting everything;

I suggest that my book Be Wise As Serpents be read for documentation, and further questions be written to me . Otherwise this article would be way to bulky for the newsletter.)

The “brilliant” plan given in detail to the Illuminati was to create a thesis

and its opposite called the antithesis . The process would repeat itself until the desired outcome .

Out of the battle between the two would emerge the synthesis .

Out of the battle of chaos would come a new order reminding us of the Masonic slogan “Order out of Chaos.”

If the thesis were like a hammer and the antithesis like an anvil, what was caught in between would be broken or reshaped .

Three world wars would enable the plan to work.

The hammer would be constructed and then given a homeland, a secure base in Russia .

It is what we call communism.

The first anvil would be created out of economic chaos in Germany . It would be called National Socialism .

That anvil would be destroyed in a Second World War, but another anvil would replace it called democracy.

The first two world wars accomplished exactly what they were intended to accomplish.

Out of the first world war came:

- (1) A secure Satanic dictatorship in Russia, a secure base to carry out further world subversion.
- (2) The Satanic family of Rothschild’s gained partial control over Palestine, preparing the way for Satan to rule from Jerusalem some day
- (3) Weapons of mass destruction and terror.
- (4) The League of Nations.

Out of the second world war came:

- (1) The enlargement of their secure base in Russia into a world power.
- (2) complete control over Palestine by the Rothschild’s.
- (3) air power, including long range missiles, jets, secret flying saucers, and powerful submarines, all items that individuals could not produce.

Those in control of production would therefore control all air and sea ways of the earth.

(4) The cold war and an era of terror to convince the people of the need for Satan's One World Order.

(5) the United Nations .

Out of the third world war would emerge a new religious system .

The third world war would have to be tailored to be like the Bible's Armageddon, Satan told his highest slaves,

because- if it resembled Armageddon, then the people would believe he was the Messiah when he came after its end .

It would have to be terrible, so that he could step in and bring miraculous order out of a world beaten into chaos by the worst war in history.

Again it would be "Order out of chaos", as the Masonic documents repeatedly proclaim.

The third world war would come during a period of seven years of tribulation .

Just like the Second World War emerged out of the great world-wide depression.

Satan told his followers this tribulation would repeat on a larger scale the plagues of Egypt,

for he would wreck revenge for what was done to Egypt by God (and Moses) by giving back in a bigger way to the world what happened to ancient Egypt .

To a demonic controlled mind it makes sense to wreck such revenge, especially when the end result is held out to be the salvation of the world by the Light bearer, the Morning Star, also known as Lucifer.

For most of us, the idea of such pain and destruction seems like demonic madness – which it is.

At the core of the One-World-System is Satanism.

It hides itself behind fronts such as Jewish Finance, Socialism, Aryanism,

British Israelism, Zionism, and Freemasonry which are tools to get the broad masses to serve the Plan.

The “conspiracy” to create the One-World-System has enlisted the help of almost everyone.

That is because most of the religious systems at the top are controlled by Satanists who know what they are doing and direct the people’s religious efforts.

Nazism was a Pagan Gnostic religious system whose High Priest Hitler knew what he was doing in relation to Satan’s mission.

The Jewish people (used in its broadest sense) are being used.

Actually the allegiance of the Satanic hierarchy is not in the least concerned with Judaism, although it appears that at first the plans are to create a religious leader that will have the apparent credentials of the Jewish messiah.

How sad, because the actions of the Rothschild’s and other Satanic “jewish” bloodlines during W.W. II show

that their first allegiance is NOT to the Old Testament and not to even Orthodox Judaism, but is purely to Satan.

At some point in the future the Orthodox Jews and the Conservative Jews will find that this Messiah,

who is already alive waiting to play his role, will only give them temporary relief.

They are being taken for a ride and then they will be dumped by the New World Order’s dictatorship.

Constance Cumbey correctly notices that the New Age movement resembles Nazism exactly to a T .

For those students wanting to get a detail by detail parallel go to pages 114 to 120 in The Hidden Dangers Of The Rainbow.

In 1952, James Larratt Battersby in England published The Holy Book of Adolf Hitler for the German World Church in Europe .

Except for some of his pro-German ideas, obviously thrown in to make

the book enlist the intended audience's favour, the book is an exact description of what would happen in the next 50 years to bring in the New World Order.

The reason some of the prognostications of pro-German ideas are not valid is that the Satanic hierarchy is not really concerned for the German people either, except to harness their help in their plans .

Batterby's Holy Book of Adolf Hitler was given to him "in the spirit" .

According to Battersby the book was written in order that "May God open the eyes of the Gentiles to Truth, and carry his Holy Gospel to the ends of the earth" .

The book is an excellent synopsis of what Satan had planned in 1952 and has carried out since to a large degree.

The 'Rothschild's (and other top Satanic families in a lesser way) financed a jewish Mason and devote Satanist named Karl Marx to write his Das Kapital .

The Satanists controlling key Masonic groups (along with some other groups they controlled) got Communism started.

The original idea came from Satan, and was given at a Feast of the Beast in meticulous detail to those highest in the Satanic Hierarchy .

Albert Pike, and Guiseppe Mazzini were two men in strategic positions of control that were let in on the plans.

After creating International Socialism (communism) a temporary antithesis was created called National Socialism (nazism).

The process to create National Socialism was to turn again to the Masonic Lodges and other esoteric secret Societies to get it done.

Therefore, the secret esoteric gnostic and satanic societies along with the Illuminati helped create "the Thule Gesellschaft" (in English the Thule Society) .

Adolf Hitler was some type of member of this occult Thule Society, along with many other men who later began leading Nazi leaders such as Rudolf Hess.

The Thule Society used the Masonic/Hindu symbol the Swastika, which

the Nazi party then also used as its symbol.

In other words the grandmother of the Nazi Party was the Masonic Lodges in Germany.

The Vril was another secret occult group that many of the Nazi leadership belonged to. Hitler also was a member of the Theosophical Society, which has strong Satanic and Masonic ties.

Both Bailey and Hitler studied from Tibetians, Hindus, occultists, and black magicians. They also both studied the Gnostics, and every major Pagan/Occult religious system.

A example of how valued the Swastika was for Freemasons before Hitler ruined its image, is a quote from Joseph Fort Newton, a Baptist Minister and high ranking Mason,

“The second of these volumes also contains an essay. . . by Thomas Carr, with a list of Lodges, and a study of their history, customs, and emblems- -especially the Swastika .

Speculative Masons are now said to be joining.., seeking more light on what are called the Lost Symbols of Masonry.”

After promoting and using the Swastika for years the Freemasons quit using it after Hitler.

The Holy Book of Hitler provides the answer as to why the Theosophical Society worked so hard to destroy the British Empire.

It had always at first mystified me why the Theosophical Society Presidents who connected to the Satanic hierarchy would want to ruin the British Empire.

The reason it seemed strange is that the mother country of Satanism and Witchcraft is Great Britain.

The center of secret political power is geographically in England.

And further, one of the largest and most powerful secret fronts for Satanism is British-Israelism.

The reason why the British Empire was destroyed was that Satan had already determined even before 1870 that the steps to world government would include setting up around 9 or 10 Continental blocs .

The Union of Europe into one country (or bloc) could not be accomplished while Great Britain had most of her focus on her empire. Great Britain as long as she had an empire would never want to join up with Europe.

In fact all the European nations would have to be convinced to give up their colonies, that is why the World Power got everyone they could get to help fight Portugal in Angola in recent history,

everyone including the large masonic-controlled Christian denominations who donated millions of dollars to the NCC and WCC which moneys were then passed on to the guerrillas to buy weapons and ammo.

The Theosophical Society is mostly to blame for India's independence from Britain . First, the Theosophical Society managed to change British policy so that the British became unpopular.

Then Theosophical President Besant, who published the largest English paper strongly criticized British rule in her newspapers and eventually was arrested .

Gandhi and other Indian leaders were involved in Besant being made the President of the Indian Congress Party. And that political party still rules Indian politics .

The Theosophist Mahatma Gandhi, following in the steps of Theosophical President Annie Besant, led the Indian people against British rule.

But the final blow to the British Empire was done by another Theosophist—Adolf Hitler.

It is common knowledge that the powerful blows of Axis attacks in W.W. II struck the death blow to the British Empire, or so we are told.

The truth is that the elite wanted the Empire to die, and pulled every string to convince the British public and indigenous natives that the Empire was too weak after W . W . II to save the empire and prevent her colonies from independence.

It is hard for people to grasp that the Illuminati controlled Russia, Great

Britain, Germany and France during World War II, but they did.

Churchill, Roosevelt, and Stalin were all Masons .

DeGaulle of France was closely linked with several esoteric groups, and the Priere de Sion and Grand Orient Masons helped him to power in the 50s .

Churchill was a Zionist and pro-Fabian Socialist . Stalin was a closet satanist . Roosevelt was a Zionist, pro-communist and socialist .

Both Churchill and Roosevelt came from important elite blood lines . Apparently, Stalin was somewhat independent, but basically did what was expected of him.

As the previous paragraph indicates the people of the world weren't ready for a world government, and most not even a united Europe.

W.W. II was carried out to adjust people's thinking toward wanting European unity .

Satan already ruled the world through his secret chain of command, but he wanted to openly rule the world's hearts and to be publicly hailed as ruler and saviour.

Who was Hitler? Hitler's father was the offspring of the Rothschild's secret breeding program which impregnated his grandmother.

It appears from the details available, Hitler was groomed for his role, without realizing his heritage at first . It appears that Hitler learned of his Jewish bloodline" after taking over Germany.

Hitler had romances with many beautiful women. Although Hitler was very strict with his New Age religious practices such as being a vegetarian, that did not include being celibate .

He did have sex contrary to the deceptions of the Establishment.

Hitler's seed (the Rothschild's powerful generational occult bloodline) was hidden in an Askenazim bloodline, at least part of which has come to the U.S.

In fact, Hitler's generational occult power was passed on too .

This was most likely done by thrusting a knife into his heart, and the

person who received his occult power then gulped his last breath with the kiss of death to receive his occult power .

What I am telling you is that Hitler's offspring are alive and well and that his terrifying Anti-Christ spirit was passed to someone and is not dead.

Let me remind you of some of Hitler's own prophecies about himself and his goals.

“At the time of supreme peril I must die a martyr's death for the people. But after my death will come something really great, an overwhelming revelation to the world of my mission.”

The world was to witness his divinity .

Further, “My spirit will rise from the grave, and the world will see that I was right.” Von Ribbentrop on Apr. 30, 1945 was told this same thing, “You will see that my spirit will rise from the grave. ”

National Socialism “is even more than a religion; it is the will to make mankind anew.” “All creative energy will pass to the new man.”

Hitler claimed to be the real fulfilment of Marx's socialism. “I am not only the conqueror, but also the executor of Marxism, of that part of it which is essential and justified,

stripped of its Jewish-Talmudic dogma.” In essence, he is saying whatever veneer of Jewishness that Marx's satanic plan had, he disagreed with it and would destroy that veneer .

These type of statements reveal that the essence of the message of various elite men like Hitler is the same Satanic plan if stripped of their variously decorated veneers.

Hitler is viewed as the Messiah, the Holy Spirit, the martyred Saviour of his people by his followers today.

The blasphemous Holy Book of Adolf Hitler states, “All hail to God's Christ and Chosen, Adolf Hitler...Lord of Lords, and King of Kings, the Eternal Adolf Hitler.”

Such blasphemy . Father forgive them for they know not what they do. Hitler's Demonic Spirit and Hitler's descendants both live on today.

(By the way, some Rothschild descendants such as Hitler's have come to

Christ as their Lord and Savior!)

Will this powerful occult branch of the Rothschild's be used again by the New World Order? Whatever the case it is clear that Hitler's Anti-Christ spirit will get plenty of demonic help.

The demonic forces that have manifested themselves in National Socialism and International Socialism (aka Communism) demonized much of Europe.

So much so that Europe officially portrays itself as a beast with Venus on it on a stamp commemorating the Second election of the European Parliament,

and also as the same forces that tried to build the Tower of Babel on an official poster.

Not only are the same demons that led communist leaders and nazi leaders operating in Europe's leaders, but there are armies of demons trampling over anything of moral value in Europe.

It can be said without a doubt that the "man" who rules the One-World-Government will derive his power from a demonic supernatural source.

According to Revelations, God is going to have an angel open up a key to the abyss and teeming hordes of demonic spirits shall be descending upon the earth.

My conclusion is that Satan has so many Anti-Christ's available that Hitler's personal occult power is not necessary for the New World Order's success.

I rarely like to comment on the end times from Scriptures because I feel like most people are thoroughly confused about the clear teachings that the Scriptures give.

2 Thes. 2:3 and other Scriptures make it clear that the Christians must witness a great apostasy and the Anti-Christ being revealed before Christ returns .

We can live everyday as if it may be our last, but Scriptures are clear that the Apostles did not live each day as if Jesus could return that day.

They knew that certain things had to happen first . The church has been

going through tribulations since Pentecost. The church will go through the “great tribulation” according to the Word of God .

We will if we are that faithful remnant be spared from the Wrath of God, but we will not be spared from the tribulation of Satan which shall include martyrdom .

The New Age leaders are fully ready to cooperate with this “cleansing” from the earth of us bothersome disciples of Truth.

In this respect, their thinking will resemble the Nazi’s rationalizations that people must pay their Karmic debt, and shall benefit from being killed. How truth can be stood on its head!

The Plans are already drawn up how to use rail lines to move large groups of civilians to labor camps.

When we compare Nazi Germany with today’s New World Order plans, Nazi Germany can be seen to be the basic model of what Satan’s timetable includes for us these next few years.

To illustrate that the Pagan religion of Nazism is an example to the Satanists and New Agers, let us ponder Anton LaVey’s (head of a visible Church of Satan) trip to the sacred initiation castle of Hitler’s Black Order the SS .

The SS apparently brought the Holy Grail to Germany, and hid it before the end of the war .

On May 2, 1945, a select group of SS officers, those initiated into the higher mysteries of the Nazi Pagan religion, hid the Grail in the Schleigeiss glacier at the foot of 3,000 meter high Hochfeiler mountain .

Seekers in the area have been found decapitated, and mutilated . The area is still guarded by the Black Order in anticipation of the day that the Grail can be revealed to the world .

The important thing for us is to begin to experience the Kingdom of God right now .

Let us prepare ourselves for Almighty God’s New World Order as the Satanists launch their counterfeit New World Order. 185

I can buy what Cayce had to say. Although spiced with some portions of truth, the rest makes the jews innocent in spite of their record and what Jesus said concerning the jews as quoted in Matthew 23. Contradictions to what Jesus said always makes me very suspicious as I reach for the flush handle.

Questions posed to a Catholic Neocon Zionist who doesn't understand that IS = U\$raEl:

Perhaps I am wrong about ISIS = U\$raEl. But let's consider President Putin. He strikes me as extremely ethical and religious. He is a devout Orthodox Christian. He deplores abortion and gay marriage. Last year the Russian Parliament voted 438-0 to ban gay marriage! Putin follows an agenda that any American Christian conservative could respect.

So why are all the churches aligned against him?

Why do they all seek war over Ukraine?

Could this be another religious war between the Roman Catholics and the Eastern Orthodox? Ukraine is a very Catholic country after all.

I suspect this is exactly the situation.

The Catholics have aligned themselves with the Neocon Zionists.

Anything that will destroy stable Arab governments is promoted, even if it is the satanic forces of ISIS as Trucker rightly describes them.

I watched the Winter Olympics and saw President Putin and the Russian athletes present themselves very honorably.

They epitomized professionalism and dignity.

Whenever the American tv reporters tried to interview the Russian athletes, they bristled with rage against the unjust attacks in our media against Putin. I felt trouble was coming, like the time of the 1936 Berlin Olympics.

Why do our elites entertain and lionize satanists like Pussy Riot?

Why are these human miscreants feated in DC and on Wall St. Even the supposed bastion of conservatism the WSJ tried to portray them as persecuted heroes.

Why??????????????

Last year Franklin Graham called Putin a righteous leader.

If you really want to see the Islamists defeated, you need to support Orthodox Christian Russia and its leader Vladimir Putin against the Catholic-Neocon-Zionists running the show for the Anglo American globalized empire.

If you really are a Christian with the Holy Spirit living inside you, you would recognize the alignment of good vs evil here.

If you are too blind to see the truth, then we can only pray for you.

Shalom et Mir,

Michael Korn

PS In any coming direct confrontation with the Russians, I support Putin 1000%. He is a mensch as we say in Yiddish.

After almost seven centuries since this parasite known as Zionism began and fully founded by the atheists Khazarian Ashkenazim Knights Templar is without any doubt that as of today, it has surpassed all ethnic groups, all religions and almost everything else in regards to humanity and the planet Earth itself. Ladies and gentlemen this is fact. No more the concept of puppets, stooges or lackeys is needed. Everything and everyone has been engulfed by it. They are all the same. Time to get rid of all Zionists regardless. For just one example I will refer to you, it's easy to understand what I'm talking about. Remember a recently retired candidate from the so called Democrats. Yes, Mr. Vice President we know full well, you are not an Ashkenazi impostor. Actually Mr. Biden you are worst than that.
